Subject: Dean Mattas on site s117 - Mayne Yard 8/5/2024

Hi Malcolm
Dean Mattas on site now at CRR RIS – Mayne Yard, refusing to follow direction regarding the rail compliance. We have notified QR as they own the Rail Corridor.

We will get more details once the superintendent (Leigh Towey) dealing with it is able to get some more particulars to us.

James Donaghey (General Superintendent) is liaising with the site teams and updating the group as per the below.

This is the correct action considering the lack of a conforming permit and correct access documentation.
