Andrea,

The personal entered the site through the fence where there was no security positioned.

As soon our security spotted them, they were moved on.

Hello Andrea,

We had an incident Saturday night which caused a delay in Riverfire starting, and very nearly caused it to be cancelled.

People were seen on the Green Bridge and show was not allowed to start till they were clear.

Do you have any information on how they got there, who they were, was it planned?

I need some detail for a our post event report.
