Thanks Kate – approved to send. For noting, I think we should commence drafting out what this consultation process will look like so when the new permanent ED commences they aren't starting from scratch and we can get the consultation process quickly underway.

@Natasha Carstens, I will need a half hour meeting on Friday (suggest at 9am or 930am), on teams with:

- RD's
- Andrew
- Jo
- Sam Brooker
- Brian Culleton
- Jason Plath

Anyone else I have missed who may need to be updated in relation to the triaging process.

Purpose of the meeting is to provide an update on the triaging process.

Hi Kate

Apologies – can you please send through final draft – I couldn't access it from Ann Street for some reason.

Thanks

Hi Cathy

As discussed, I've updated the draft response to include the following highlighted section:

As agreed during our meeting on 28 March 2023, and consistent with the previous recruitment process, the panel will comprise of a representative from the building industry, a representative from the construction unions, and a public servant from outside the Office of Industrial Relations.

If you could please let me know if the statement is true and correct, it would be greatly appreciated.

If the 2018 panel didn't comprise of similar representation we will need to further unpack why we have adopted this approach.

DDG response to REC68931 - CFMEU: Ravbar, Michael.

Regards
Kate
