Do you think Steve Thomas or Rob Pickard would disclose my address to his contractors? I'm still on the BMD system.

My family and I are staying at my brothers man just in case they disclose that personal information, my partner is an emotional mess.

Hi mate, I honestly don't believe that they would, but I completely understand you taking the precaution. I am really sorry that this has happened

Quinn look, I just want to be the best crane crew leading hand, Delegate I can be. Because of my decision to accept and attempt to be the later. I knew heat could come for me when the IR firm was engaged, ai just didn't realise the severity of their connections.

Criminals don't belong in construction, they don't want to work 10 hours a day for a living, they want to take. We're different.

I don't hold you responsible at all, go the blues!

How are you holding up mate?

We're all good mate, it's a difficult situation to thoroughly understand or explain the emotions.

Thanks for checking in man.
