Cash at the end of the year	**7**	2,738,788	6,256,658

The accompanying notes form part of these financial statements.

Note 1: Information to be provided to members

In accordance with the requirements of the *Industrial Relations Act 1999 (Qld)*, the attention of members is drawn to the provisions of section 556, which reads as follows:

(1) A member of an organisation may apply to the organisation for information that it must, under a regulation, give its members.

(2) An application may be made by the registrar for a member.

(3) The organisation must give the member or, if the registrar applied for a member, the registrar, the information applied for in the way prescribed under a regulation.

(4) If the information is given to the registrar, the registrar must give the information to the member for whom the registrar made the application.

Note 2: Summary of significant accounting policies

The financial statements are special purpose financial statements prepared in order to satisfy the financial report requirements of the *Industrial Relations Act 1999 (Qld)*. The Committee of Management has determined that the Union is not a reporting entity.

The financial statements, except for the cash flow information, have been prepared an accruals basis. The financial statements have been prepared in accordance with historical cost, except for certain assets and liabilities measured at fair value, as explained in the accounting policies below. Historical cost is generally based on the fair values of the consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices on the results or the financial position. The financial statements are presented in Australian dollars.

The following significant accounting policies have been adopted in the preparation of the financial statements. The accounting policies are consistent with the previous period, unless otherwise stated.

Accounting Policies

(a) Income tax

No provision for income tax is necessary as trade unions are exempt from income tax under Section 50-15 of the *Income Tax Assessment Act 1997*.

(b) Revenue

Revenue is measured at the fair value of the consideration received or receivable.

Receivables for goods and services are recognised on an accrual basis at the nominal amounts due less any impairment allowance amount. Collectability of debts is reviewed at the end of the reporting period. Allowances are made when collectability of debt is no longer probable.

Note 2: Summary of significant accounting policies (contd)

(c) Property, plant and equipment

Property, plant and equipment are carried at cost or fair value less, where applicable, any accumulated depreciation and impairment losses.

Property

Land and buildings are shown at their fair value less subsequent depreciation for buildings. Property held for investment purposes is not depreciated.

Revaluations - land and buildings

Following initial recognition at cost, land and buildings are carried at fair value less subsequent accumulated depreciation and accumulated impairment losses. Revaluations are performed with sufficient frequency such that the carrying amount of assets do not differ materially from those that would be determined using fair values as at the reporting date.

Revaluation adjustments are made on a class basis. Any revaluation increment is credited to equity under the heading of asset revaluation reserve except to the extent that it reversed a previous revaluation decrement of the same asset class that was previously recognised in the surplus/deficit. Revaluation decrements for a class of assets are recognised directly in the profit or loss except to the extent that they reverse a previous revaluation increment for that class. Any accumulated depreciation as at the revaluation date is eliminated against the gross carrying amount of the asset and the asset is restated to the revalued amount.

Plant and equipment

Plant and equipment are measured on the cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by the Union's management to ensure it is not in excess of the recoverable amount from those assets.

Depreciation

The depreciable amount of all fixed assets are depreciated on a straight line basis over the useful lives of the assets to the Union commencing from the time the assets are held ready for use. Motor vehicles are depreciated on a diminishing value basis.

The depreciation rates used for each class of depreciable asset are:

Fixed asset	*Rate*
Buildings	4%
Motor vehicles	25%
Plant & equipment	10-20%

(d) Investment property

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at their cost, including transaction costs. Subsequent to initial recognition, investment properties are measured at fair value. Gains and losses arising from changes in the fair value of investment properties are included in profit and loss in the period in which they arise.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period in which the property is derecognised.

Note 2: Summary of significant accounting policies (contd)

(e) Financial Instruments

Initial recognition and measurement

Financial instruments are initially measured at fair value on trade date, which includes transaction costs, when related contractual rights or obligations exist. Subsequent to initial recognition these instruments are measured as set out below.

Classification and subsequent measurement:

Financial Assets at fair value

A financial asset is classified in this category if acquired principally for the purpose of selling in the short term or is so designated by management and within the requirements of *AASB139: Recognition and Measurement of Financial Instruments*. Realised and unrealised gains and losses arising from changes in the fair value of these assets are included in the income statement in the period in which they arise.

Held to maturity investments

These investments have fixed maturities, and it is the Union's intention to hold these investments to maturity. Any held to maturity investments held by the Union are stated at amortised cost using the effective interest rate method.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are stated at amortised cost using the effective interest rate method.

Held to maturity investments

These investments have fixed maturities, and it is the Union's intention to hold these investments to maturity. Any held to maturity investments held by the Union are stated at amortised cost using the effective interest rate method.

Available for sale financial assets

Available for sale financial assets include any financial assets not included in the above categories. Available for sale financial assets are reflected at fair value. Unrealised gains and losses arising from changes in fair value are taken directly to equity.

Financial liabilities

Non-derivative financial liabilities are recognised at amortised cost, comprising original debt less principal repayments and amortisation.

Fair value

Fair value is determined based on current bid prices for all quoted investments. Valuation techniques are applied to determine the fair value of all unlisted securities, including recent arm's length transactions, reference to similar instruments and option pricing models.

Impairment

At each reporting date, the Union assesses whether there is objective evidence that a financial instrument has been impaired. Impairment losses are recognised in the income statement.

Note 2: Summary of significant accounting policies (contd)

(f) Impairment of Assets

At each reporting date, the Union reviews the carrying values of its assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and its depreciated replacement value, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

For certain categories of financial asset, such as trade receivables, assets that are assessed not to be impaired individually are, in addition, assessed for impairment on a collective basis. Objective evidence of impairment for a portfolio of receivables includes the reporting unit's past experience of collecting payments, an increase in the number of delayed payments in the portfolio past the average credit period, as well as observable changes in national or local economic conditions that correlate with default on receivables.

The carrying amount of the financial asset is reduced by the impairment loss directly for all financial assets with the exception of trade receivables, where the carrying amount is reduced through the use of an allowance account. When a trade receivable is considered uncollectable, it is written off against the allowance account. Changes in the carrying amount of the allowance account are recognised in profit or loss.

(g) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the balance sheet.

(h) Trade Payables

Trade payables and other payables represent liabilities for goods and services provided to the company prior to the end of the financial year that are unpaid. These amounts are usually settled in 30 days. The carrying amount of the creditors and payables is deemed to reflect fair value.

(i) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the Balance Sheet are shown inclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

Note 2: Summary of significant accounting policies (contd)

(j) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

As a result of the amalgamation of the Construction, Forestry, Mining & Energy, Industrial Union of Employees, Queensland and the Australian Building Construction Employees and Builders Labourers' Federation (Queensland) Union of Employees, significant net assets were transferred to the Union as at 1 May 2014.

(k) Key accounting estimates and judgements

The Union evaluates estimates and judgements incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data.

Key estimates - Impairment

The Union assesses impairment at each reporting date by evaluating conditions specific to the Union that may lead to impairment of assets. Where an impairment trigger exists, the recoverable amount of the asset is determined.

Net Fair Values

(i) For listed available-for sale financial assets and financial assets at fair value through profit or loss the fair values have been based on closing quoted bid prices at the end of the reporting period.

(ii) In determining the fair values of the unlisted available-for-sale financial assets, the union uses inputs that are observable either directly (as prices) or indirectly (derived from prices).

(ii) Fair values of held-to-maturity investments are based on quoted market prices at the end of the reporting period.

	278,261	106,725

(b) There were no non-cash financing or investment activities during the year.

(c) The union has no credit stand-by arrangement or loan facilities.

Note 15: Contingent liabilities
There are continually numerous ongoing unsettled legal actions against the Union regarding industrial relations matters.

If at year end, a judgement has been awarded against the union and the amount is unpaid, the Union accrues an expense for estimated costs and penalties in relation to the matter.

No provision is made for any settlement costs or penalties for ongoing matters as the Union intends to defend the claims.

Note 16: Events after the Reporting Period
The Union is not aware of any significant events since the end of the reporting period.

Note 17: Financial Support received from another reporting unit
The Union is not reliant on the agreed financial support of another reporting unit to continue as a going concern.

Note 18: Financial Support given to another reporting unit
The Union has not agreed to provide financial support to another reporting unit.

Note 19: Acquisition of assets/liabilities from a business combination
The Union has not acquired an asset or liability as part of a business combination.

Note 20: Acquisition of assets/liabilities from an amalgamation/restructure
On 1 May 2014 (prior year), the Construction, Forestry, Mining & Energy, Industrial Union of Employees,Queensland (CFMEU) was amalgamated with the Australian Building Construction Employees and Builders Labourers' Federation (Queensland) Union of Employees (BLF).

As a consequence of the amalgamation, from 1 May 2014 the BLF was deregistered and all assets and liabilities were transferred to the CFMEU.

Assets and liabilities of an operational nature were transferred to the Federally registered reporting unit the Construction, Forestry, Mining & Energy, Union, Construction & General Division, Queensland Northern Territory Divisional Branch (QNTDB).

The detailed financial effect of the amalgamation was presented in the prior year financial statements.

Note 21: Payments to former related parties
Payments to former related parties where the liability for the payment was incurred during the period in which a related party relationship existed are detailed as follows:

Name of Former Party	Details of Payment	Amount $
Nil	Nil	-

Note 22: Union details
The principal place of business of the Union is:

Construction, Forestry, Mining & Energy, Industrial Union of Employees, Queensland - State Construction & General Division
16 Campbell Street
Bowen Hills Qld 4006

The Construction, Forestry, Mining & Energy,
Industrial Union of Employees, Queensland
State Construction & General Division
Accounting Officer's Certificate for the year ended 31 December 2015

(Industrial Relations Act 1999 (Qld))

I, Michael John Ravbar, being the officer responsible for keeping the accounting records of the Construction, Forestry, Mining & Energy, Industrial Union of Employees, Queensland - State Construction & General Division, certify that as at 31 December 2015 the number of members of the organisation was as follows:

number of financial members	13,945
number of non-financial members	3,114

and, in my opinion:

(i) the financial statements show a true and fair view of the financial affairs of the organisation as at the end of the financial year;

(ii) a record has been kept of all monies paid by, or collected from, members of the organisation, and all monies so paid or collected have been credited to the bank account or accounts to which those monies are to be credited, in accordance with the rules of the organisation;

(iii) before any expenditure was incurred by the organisation, approval of the incurring of the expenditure was obtained in accordance with the rules of the organisation;

(iv) no payment was made from any fund or special account for a purpose other than the purpose for which the fund or account was established. Any payments made were approved under the rules of the organisation.

(v) any loans or other financial benefits given to employees or officers of the organisation were allowed under the organisation's rules; and

(vi) the register of members of the organisation was maintained in accordance with the Act.

Signed at Brisbane,

Dated this ...7... day of June 2016.

[redacted]

Michael John Ravbar
State Secretary

The Construction, Forestry, Mining & Energy,
Industrial Union of Employees, Queensland
State Construction & General Division

Management Committee Certificate for the year ended 31 December 2015

(Industrial Relations Act 1999 (Qld))

We, Royce Kupsch and Keith Murphy being two members of the Committee of Management of the Construction, Forestry, Mining & Energy, Industrial Union of Employees, Queensland - State Construction & General Division do state on behalf of the Committee and in accordance with a resolution passed by the Committee that:

(i) in our opinion, the financial statements show a true and fair view of the financial affairs of the organisation as at the end of the financial year to which the statements relate;

(ii) in our opinion, the organisation was solvent during the whole of the year and at the date of this statement the organisation is able to pay its debts as and when they become due and payable;

(iii) in our opinion, during the financial period to which the statements relate, meetings of the Committee of Management were held in accordance with the rules of the organisation;

(iv) to the knowledge of any member of the Committee, there have been, during the financial period to which the statements relate, no instances where records or rules of the organisation or other documents (not being documents containing information made available to a member of the organisation under section 556 of the Act), or copies of those records, rules or other documents, have not been given to members of the organisation in accordance with the Act, the Regulations made under the Act, or the rules of the organisation;

(v) the audit report and financial statements of the organisation for the financial year immediately before the year to which these financial statements relate have been:

(a) presented to a presentation meeting of the organisation in accordance with section 565 of the Act; and

(b) given to the members of the organisation in accordance with section 566 of the Act.

Signed at Brisbane,

Dated this 7 day of June 2016.

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF
CONSTRUCTION, FORESTRY, MINING & ENERGY, INDUSTRIAL UNION OF EMPLOYEES, QUEENSLAND

Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report, of Construction, Forestry, Mining & Energy, Industrial Union of Employees, Queensland, which comprises the balance sheet as at 31 December 2015, the income statement, statement of changes in equity and cash flow statement for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

The audit report has been prepared based on the requirements of section 560 of the *Industrial Relations Act 1999 (Qld)*.

Committee of Management's Responsibility for the Annual Financial Disclosure Statement

The Committee of Management of the Union are responsible for the preparation and fair presentation of the financial report and have determined that the basis of preparation described in Note 2 to the financial statements are consistent with the financial reporting requirements of the Industrial Relations Act 1999 (Qld) and the Union's rules are appropriate to meet the needs of the members. The Committee's responsibility also includes such internal control as the Committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require us to comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the company's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of Australian professional ethical pronouncements.

Opinion

In our opinion:

(a) The organization kept satisfactory accounting records for the financial year, including records of:

  i. the sources and nature of the organisation's income, including income from members, and

  ii. the nature and reasons for the organisation's expenditure; and

(b) the accounts for the year were properly drawn to give a true and fair view of the organisation's:

  i. financial affairs at the end of the year, and

  ii. income and expenditure, and any surplus or deficit, for the year; and

(c) the accounts for the year were prepared in accordance with the Industrial Relations Act 1999 (Qld); and

(d) the financial disclosure statement and the mid-year financial disclosure statement for the year were prepared under this Act; and

(e) the organisation has the policies it is required to have under section 553A(1); and

(f) the organisation's spending for political purposes, if any, have not contravened the requirements of section 553F; and

(g) deficiencies, failures or shortcomings (an accounting deficiency) for a matter mentioned in paragraphs (a) to (f) are listed below:

- not applicable

(h) all the information and explanations that we required from the organisation's officers or employees were given.

Emphasis of Matter

Without modifying our opinion, we draw attention to Note 2 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the financial reporting requirements of the Construction, Forestry, Mining and Energy, Industrial Union of Employees, Queensland under the *Industrial Relations Act 1999*. As a result, the financial report may not be suitable for any other purpose.

CONSTRUCTION, FORESTRY, MINING & ENERGY, INDUSTRIAL UNION OF EMPLOYEES, QUEENSLAND STATE CONSTRUCTION & GENERAL DIVISION

COMMITTEE OF MANAGEMENT OPERATING REPORT

FOR THE YEAR ENDED 31 MARCH 2024

Operating Report

In accordance with section 764 of the *Industrial Relations Act 2016* ("Act") the Committee of Management ("the Committee") presents its Operating Report on the Construction, Forestry, Mining & Energy, Industrial Union of Employees, Queensland State Construction & General Division ("Union"), for the year ended 31 March 2024.

Principal Activities

The principal activities of the Union, fall into the following categories:

- Implementation of the decisions of the State Executive and State Management Committee.
- The development and implementation of the Union policy through effective communications with members at the workplace.
- The administration of State awards, the variation of awards following major test cases (ie State wage case) and making other variations to awards for other industrial matters.
- Industrial support including representation of members grievances and/or advice at their workplaces and/or through the various industrial tribunals (ie Industrial Relations Commission, Workers Compensation etc).
- Ongoing communication to members and the broader community through meetings, rallies, media releases, journals and flyers.
- Growing the organisation through good on the job organisation and strong links between the organisers and members.

There were no significant changes to the nature of those activities during the period.

Operating Results

The operating surplus for the financial year amounted to $2,250,668 (31 March 2023: $426,322 surplus)

Significant Changes in Financial Affairs

There was no significant change in the financial affairs of the Union during the year.

Events subsequent to reporting date

There were no events that occurred after 31 March 2024, and/ or prior to the signing of the financial statements, that would affect the ongoing structure and financial activities of the Union.

Future Developments

Likely developments in the operations of the Union and the expected results of those operations in future financial years have not been included in this report as such information is likely to result in unreasonable prejudice to the Union.

Environmental Issues

The Union's operations are not regulated by any significant environmental regulation under a law of the Commonwealth or of a state or territory.

Members Right to Resign

A member may resign from the Union by written notice addressed and delivered to the Secretary of the Union in which membership is held.

Officers or Members who are Superannuation Fund Trustees/ Director of a Company that is a Superannuation Fund Trustee

Those who hold a position of trustee or director of an entity, scheme or company as described in s.764 (2) (d) of the *Industrial Relations Act 2016*, where a criterion of such entity is that the holder of such position must be a member or official of a registered organisation are as follows:

Jacqui Collie	– Member of the Union - Director of BUSSQ
Michael Ravbar	– Member and State Secretary of the Union - Director of BUSSQ
Emma Eaves	– Member of the Union - Director of BUSSQ

Number of Members

The number of members at the end of the financial period recorded in the register of members and taken to be members of the Union was 18,669 (2023: 15,763).

Number of Employees

The number of full-time equivalent employees of the Union at the end of the financial year was 49 (2023: 43).

Members of the Committee of Management

The name of each person who has been a member of the committee of management of the Union at any time during the reporting period, and the period for which he or she held such a position is as follows:

Name	Period of appointment
Michael Ravbar	Whole period
Royce Kupsch	Whole period
Steve Gaske	Whole period
Dallas Ezzy	Whole period
Ian McKewin	Whole period
Jade Ingham	Whole period
Keith Murphy	Whole period
Peter Close	Whole period
Mark Read	Whole period
Steve Amies	Whole period
Kane Lowth	Whole period

Indemnifying Officers or Auditors

The Union has not, during or since the end of the financial year, in respect of any person who is or has been an officer or auditor:

- indemnified or made any relevant agreement for indemnifying against a liability, including costs and expenses in successfully defending legal proceedings; or
- paid or agreed to pay a premium in respect of a contract insuring against liability for the costs or expenses to defend legal proceedings.

Disclosure Statements - Remuneration and Non-Cash Benefits of Highest Paid Officers

The highest paid officers of the Union for the disclosure period ended 31 March 2024 and the amounts of the relevant remuneration paid to them and the value or form of non-cash benefits received by them are set out in in Note 14 of the financial statements.

Disclosure Statements – Loans, Grants and Donations

A copy of the loans, grants and donations register of the Union have been disclosed as described under s. 764 (2) (f) of the *Industrial Relations Act 2016.*

This report is made in accordance with a resolution of the Committee of Management and is signed for and on behalf of the Committee of Management by:

COMMITTEE OF MANAGEMENT STATEMENT

FOR THE YEAR ENDED 31 MARCH 2024

On 28 May 2024, the Committee of Management of the Construction, Forestry, Mining & Energy, Industrial Union of Employees, Queensland State Construction & General Division ("Union") passed the following resolution to the General Purpose Financial Report (GPFR) of the reporting unit for the year ended 31 March 2024.

The Committee of Management declares in relation to the GPFR that in its opinion:

(a) the financial statements and notes comply with the Australian Accounting Standards;

(b) the financial statements and notes comply with the reporting guidelines of the Registrar;

(c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the Union for the financial year to which they relate;

(d) there are reasonable grounds to believe that the Union will be able to pay its debts as and when they become due and payable; and

(e) during the financial year to which the GPFR relates and since the end of that year:

i. meetings of the Committee of Management were held in accordance with the rules of the organisation and the rules of the Union concerned; and

ii. the financial affairs of the Union have been managed in accordance with the rules of the organisation including the rules of the Union concerned; and

iii. the financial records of the Union have been kept and maintained in accordance with the Act; and

iv. where the organisation consists of two or more reporting units, the financial records of the reporting unit have been kept, as far as practicable, in a consistent manner to each of the other reporting units of the organisation; and

v. where information has been sought in any request of a member of the reporting unit or Registrar duly made under section 787 of the Act, that information has been provided to the member or Registrar; and

vi. where any order for inspection of financial records has been made by the Queensland Industrial Relations Commission under section 788 of the Act, there has been compliance.

(f) the organisation has complied with the requirements under section 741 of the Act, Financial Management Training, and in so doing confirm the following:

Officer's Name: Michael John Ravbar
Role in the organisation: State Secretary
Date the officer most recently completed the training: 12 May 2020
Training package: Union Governance
Provider: Australian Council of Trade Unions

This declaration is made in accordance with a resolution of the Committee of Management.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1.1 Basis of preparation of the financial statements

The financial statements are general purpose financial statements and have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that apply for the reporting period and the *Industrial Relations Act 2016.* Compliance with Australian Accounting Standards ensures that the financial statements and notes also comply with International Financial Reporting Standards as issued by IASB. For the purpose of preparing the general purpose financial statements, the Construction, Forestry, Mining & Energy, Industrial Union of Employees, Queensland State Construction & General Division ('Union') is a not-for-profit entity. The Union has applied the Tier 1 reporting requirements as per the Australian Accounting Standard AASB 1053 *Application of Tiers of Australian Accounting Standards.*

The financial statements have been prepared on an accrual basis and in accordance with the historical cost, except for certain assets and liabilities measured at fair value, as explained in the accounting policies below. Historical cost is generally based on the fair values of the consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices on the results or the financial position. The financial statements are presented in Australian dollars.

For completeness, the Union has included all notes to the financial statements, even where such activities are not undertaken by them.

1.2 Comparative amounts

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

1.3 Significant accounting judgements and estimates

The following accounting assumptions or estimates have been identified that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

Key estimates and judgements

Impairment – general
The Union assesses impairment at each reporting period by evaluation of conditions and events specific to the Union that may be indicative of impairment triggers. Recoverable amounts of relevant assets are assessed using value-in-use calculations which incorporate various key assumptions. No impairment has been recognised in respect of the current year.

Provisions
As described in the accounting policies, provisions are measured at management's best estimate of the expenditure required to settle the obligation at the end of the reporting period. These estimates are made taking into account a range of possible outcomes and will vary as further information is obtained.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

1.3 Significant accounting judgements and estimates (continued)

Receivables
The receivables at reporting date have been reviewed to determine whether there is any objective evidence that any of the receivables are impaired. An impairment provision is included for any receivable where the entire balance is not considered collectible. The impairment provision is based on the best information at the reporting date.

Useful lives of property, plant and equipment
Property, plant and equipment are depreciated over the useful life of the asset and the depreciation rates are assessed when the assets are acquired or when there is a significant change that affects the remaining useful life of the asset.

1.4 New Australian Accounting Standards

Adoption of New Australian Accounting Standard requirements

The accounting policies adopted are consistent with those of the previous financial year.

No accounting standard has been adopted earlier than the application date stated in the standard.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

1.5 Revenue

The Union enters into various arrangements where it received consideration from another party. These arrangements include consideration in the form of membership subscriptions, levies, sponsorships and interest.

The timing of recognition of these amounts as either revenue or income depends on the rights and obligations in those arrangements.

Revenue from contracts with customers

Where the Union has a contract with a customer, the Union recognises revenue when or as it transfers control of goods or service to the customer. The Union accounts for an arrangement as a contract with a customer if the following criteria are met:

- the arrangement is enforceable; and
- the arrangement contains promises (that are also known as performance obligations) to transfer goods or service to the customer (or to other parties on behalf of the customer) that are sufficiently specific so that it can be determined when the performance obligation has been satisfied.

For membership subscription arrangements that meet the criteria to be contracts with customers, revenue is recognised when the promised goods or services transfer to the customer as a member of the Union.

If there is only one distinct membership service promised in the arrangement, the Union recognises revenue as the membership service is provided, which is typically based on the passage of time over the subscription period to reflect the Union's promise to stand ready to provide assistance and support to the member as required.

If there is more than one distinct good or service promised in the membership subscription, the Union allocates the transaction price to each performance obligation based on the relative standalone selling price of each promised good or service. In performing this allocation, standalone selling prices are estimated if there is no observable evidence of the price that the Union charges for that good or service in a standalone sale. When a performance obligation is satisfied, which is either when the customer obtains control of the good or as the service transfers to the customer (for example, member services or training course), the Union recognises revenue at the amount of the transaction price that was allocated to that performance obligation.

For member subscriptions paid annually in advance, the Union has elected to apply the practical expedient to not adjust the transaction price for the effects of a significant financing component because the period from when the customer pays and the good or services will transfer to the customer will be one year or less.

When a member subsequently purchases additional goods or services from the Union at their standalone selling price, the Union accounts for those sales as a separate contract with a customer.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

1.5 Revenue (continued)

Capitation fees

Where the Union's arrangement with a branch or another reporting unit meets the criteria to be a contract with a customer, the Union recognises the capitation fees promised under that arrangement when or as it transfers service to the member.

In circumstances where the criteria for a contract with a customer are not met, the Union will recognise capitation fees as income upon receipt.

Levies

Levies paid by a member in an arrangement that meets the criteria to be a contract with a customer is recognised as revenue when or as the Union transfers the relevant services to the member. In circumstances where the criteria for a contract with a customer are not met, the Union will recognise levies as income upon receipt.

Income of the Union as a Not-for-Profit Entity

Consideration is received by the Union to enable the entity to further its objectives. The Union recognises each of these amounts of consideration as income when the consideration is received (which is when the Union obtains control of the cash) because, based on the rights and obligations in each arrangement:

- the arrangements do not meet the criteria to be contracts with customers because either the arrangement is unenforceable or lacks sufficiently specific promises to transfer goods or services to the customer; and
- The Union's recognition of the cash contribution does not give rise to any related liabilities.

The Union receives cash consideration from the following arrangements whereby that consideration is recognised as income upon receipt:

- donations and voluntary contributions from members (including whip arounds); and
- government grants – (Cash Flow Boost).

Gains from sale of assets

An item of property, plant and equipment is derecognised upon disposal (which is at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of comprehensive income when the asset is derecognised.

Interest income

Interest revenue is recognised on an accrual basis using the effective interest method.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

1.6 Employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave, long service leave and termination benefits when it is probable that settlement will be required and they are capable of being measured reliably.

Liabilities for short-term employee benefits (as defined in AASB 119 *Employee Benefits*) and termination benefits which are expected to be settled within twelve months of the end of the reporting period are measured at their nominal amounts. The nominal amount is calculated with regard to the rates expected to be paid on settlement of the liability.

Other long-term employee benefits which are expected to be settled beyond twelve months are measured as the present value of the estimated future cash outflows to be made by the Union in respect of services provided by employees up to reporting date.

Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

Provision is made for separation and redundancy benefit payments. The Union recognises a provision for termination as part of a broader restructuring when it has developed a detailed formal plan for the terminations and has informed those employees affected that it will carry out the terminations. A provision for voluntary termination is recognised when the employee has accepted the offer of termination.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

1.7 Leases

The Union assesses whether a contract is or contains a lease, at inception of a contract. The Union recognises a right-of-use asset and a corresponding lease liability with respect to all lease agreements in which it is the lessee, except for short-term leases (defined as leases with a lease term of 12 months or less) and leases of low value assets. For these leases, the Union recognises the lease payments as an operating expense on a straight-line basis over the term of the lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted by using the rate implicit in the lease. If this rate cannot be readily determined, the Union uses its incremental borrowing rate.

Lease payments included in the measurement of the lease liability comprise fixed lease payments, less any lease incentives.

The right-of-use assets comprise the initial measurement of the corresponding lease liability, lease payments made at or before the commencement date and any initial direct costs. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated over the shorter period of lease term and useful life of the underlying asset.

1.8 Borrowing costs

All borrowing costs are recognised in profit and loss in the period in which they are incurred.

1.9 Cash and cash equivalents

Cash is recognised at its nominal amount. Cash and cash equivalents includes cash on hand, deposits held at call with bank, other short-term highly liquid investments with original maturity of 3 months or less that are readily convertible to known amounts of cash and subject to insignificant risk of changes in value and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

1.10 Provisions

Provisions are recognised when the Union has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

1.11 Financial instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the Union becomes a party to the contractual provisions of the instrument.

1.12 Financial assets

Contract assets and receivables

A contract asset is recognised when the Union's right to consideration for exchange goods or services that has transferred to the customer when that right is conditioned on the Union's future performance or some other condition. A receivable is recognised if an amount of consideration that is unconditional is due from the customer (i.e. only the passage of time is required before payment of the consideration is due).

Contract assets and receivables are subject to impairment assessment. Refer to accounting policies on impairment of financial assets below.

Initial recognition and measurement

Financial assets are classified, at initial recognition, and subsequently measured at amortised cost, fair value through other comprehensive income (**OCI**), or fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Union's business model for managing them. With the exception of trade receivables that do not contain a significant financing component, the Union initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs.

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest' (**SPPI**) on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level.

The Union's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Union commits to purchase or sell the asset.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

1.12 Financial assets (Continued)

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories as:

- Financial assets at amortised cost
- Financial assets at fair value through other comprehensive income
- Investments in equity instruments designated at fair value through other comprehensive income

Financial assets at amortised cost

The Union measures financial assets at amortised cost if both of the following conditions are met:

- The financial asset is held within a business model with the objective to hold financial assets in order to collect contractual cash flows and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

Financial assets at amortised cost are subsequently measured using the effective interest (**EIR**) method and are subject to impairment. Gains and losses are recognised in profit or loss when the asset is derecognised, modified or impaired.

The Union's financial assets at amortised cost includes trade receivables, receivables from other reporting units and term deposits.

Derecognition

A financial asset is derecognised when:

- The rights to receive cash flows from the asset have expired or
- The Union has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either:
    a) the Union has transferred substantially all the risks and rewards of the asset, or
    b) the Union has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Union has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if, and to what extent, it has retained the risks and rewards of ownership.

When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Union continues to recognise the transferred asset to the extent of its continuing involvement together with associated liability.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

1.12 Financial assets (Continued)

Offsetting

Financial assets and financial liabilities are offset and the net amount is reported in the statement of financial position if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Impairment

(i) Trade receivables

For trade receivables that do not have a significant financing component, the Union applies a simplified approach in calculating expected credit losses (**ECLs**) which requires lifetime expected credit losses to be recognised from initial recognition of the receivables.

Therefore, the Union does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Union has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

(ii) Debt instruments other than trade receivables

For all debt instruments other than trade receivables and debt instruments not held at fair value through profit or loss, the Union recognises an allowance for expected credit losses using the general approach. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Union expects to receive, discounted at an approximation of the original effective interest rate.

ECLs are recognised in two stages:

- Where there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses from possible default events within the next 12-months (a 12-month ECL).
- Where there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the debt, irrespective of the timing of the default (a lifetime ECL).

The Union considers a financial asset in default when contractual payments are 90 days past due. However, in certain cases, the Union may also consider a financial asset to be in default when internal or external information indicates that the Union is unlikely to receive the outstanding contractual amounts in full. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

1.13 Financial Liabilities

Financial liabilities are classified, at initial recognition, at amortised cost or at fair value through profit or loss.

All financial liabilities are recognised initially at fair value and, in the case of financial liabilities at amortised cost, net of directly attributable transaction costs.

The Union's financial liabilities include trade and other payables.

Subsequent measurement

Financial liabilities at amortised cost

After initial recognition, trade payables and interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in profit or loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in profit or loss.

1.14 Liabilities relating to contracts with customers

Contract liabilities

A contract liability is recognised if a payment is received or a payment is due (whichever is earlier) from a customer before the Union transfers the related goods or services. Contract liabilities include deferred income. Contract liabilities are recognised as revenue when the Union performs under the contract (i.e. transfers control of the related goods or services to the customer).

Refund liabilities

A refund liability is recognised for the obligation to refund some or all of the consideration received (or receivable) from a customer. The Union's refund liabilities arise from customers' right of return. The liability is measured at the amount the Union's ultimately expects it will have to return to the customer. The Union updates its estimates of refund liabilities (and the corresponding change in the transaction price) at the end of each reporting period.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

1.15 Contingent Liabilities and Contingent Assets

Contingent liabilities and contingent assets are not recognised in the Statement of Financial Position but are reported in the relevant notes. They may arise from uncertainty as to the existence of a liability or asset or represent an existing liability or asset in respect of which the amount cannot be reliably measured. Contingent assets are disclosed when settlement is probable but not virtually certain, and contingent liabilities are disclosed when settlement is greater than remote.

1.16 Property, Plant and Equipment

Asset Recognition Threshold

Purchases of land, buildings, plant and equipment are recognised initially at cost in the Statement of Financial Position. The initial cost of an asset includes an estimate of the cost of dismantling and removing the item and restoring the site on which it is located.

Revaluations—Land and Buildings

Following initial recognition at cost, land and buildings are carried at fair value less subsequent accumulated depreciation and accumulated impairment losses. Revaluations are performed with sufficient frequency such that the carrying amount of assets do not differ materially from those that would be determined using fair values as at the reporting date.

Revaluation adjustments are made on a class basis. Any revaluation increment is credited to equity under the heading of asset revaluation reserve except to the extent that it reversed a previous revaluation decrement of the same asset class that was previously recognised in the surplus/deficit. Revaluation decrements for a class of assets are recognised directly in the profit or loss except to the extent that they reverse a previous revaluation increment for that class. Any accumulated depreciation as at the revaluation date is eliminated against the gross carrying amount of the asset and the asset is restated to the revalued amount.

Depreciation

Depreciable property, plant and equipment assets are written-off to their estimated residual values over their estimated useful life using, in all cases, the straight line method of depreciation except motor vehicles which are depreciated on a diminishing value basis. Depreciation rates (useful lives), residual values and methods are reviewed at each reporting date and necessary adjustments are recognised in the current, or current and future reporting periods, as appropriate.

Depreciation rates applying to each class of depreciable asset are based on the following useful lives:

	31 March 2024	31 March 2023
Buildings	4-10%	4-10%
Plant and equipment	12.5-30%	12.5-30%
Motor Vehicles	25%	25%

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

1.16 Property, Plant and Equipment (continued)

Derecognition

An item of land, buildings, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the profit and loss.

1.17 Impairment

All assets are assessed for impairment at the end of each reporting period to the extent that there is an impairment trigger. Where indications of impairment exist, the asset's recoverable amount is estimated and an impairment adjustment made if the asset's recoverable amount is less than its carrying amount.

The recoverable amount of an asset is the higher of its fair value less costs of disposal and its value in use. Value in use is the present value of the future cash flows expected to be derived from the asset. Where the future economic benefit of an asset is not primarily dependent on the asset's ability to generate future cash flows, and the asset would be replaced if the Union were deprived of the asset, its value in use is taken to be its depreciated replacement cost.

1.18 Income Tax

The Union is exempt from income tax under section 50.1 of *the Income Tax Assessment Act 1997* however still has an obligation for Fringe Benefits Tax (FBT) and the Goods and Services Tax (GST).

Revenues, expenses and assets are recognised net of GST except:

- where the amount of GST incurred is not recoverable from the Australian Taxation Office; and
- for receivables and payables.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables.

Cash flows are included in the cash flow statement on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the Australian Taxation Office is classified within operating cash flows.

1.19 Fair value measurement

The Union measures financial instruments, such as, financial assets at fair value through the profit and loss and non-financial assets such as land and buildings and investment properties, at fair value at each balance sheet date. Also, fair values of financial instruments measured at amortised cost are disclosed in Note 13.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

1.19 Fair value measurement (continued)

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Union. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Union uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1—Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2—Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3—Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Union determines whether transfers have occurred between Levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

External valuers are involved for valuation of significant assets, such as land and buildings and investment properties. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. For the purpose of fair value disclosures, the Union has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.

1.20 Going concern

The Union is not reliant on the agreed financial support of another reporting unit to continue on a going concern basis.

The Union has not agreed to provide financial support to another reporting unit to ensure they can continue on a going concern basis.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

1.21 Acquisition of Assets and Liabilities

The Union did not acquire any assets or liabilities during the year as a result of:

(a) an amalgamation under Part 14 of Chapter 12 of the Act in which the organisation (of which the reporting unit form part) was the amalgamated organisation; or
(b) a restructure of the branches of the organisation; or
(c) a determination by the Registrar under section 755 of the Act of an alternative reporting structure for the organisation; or
(d) a revocation by the Registrar under section 759 of the Act of a certificate issued to an organization under section 755.

The Union did not acquire any assets or liabilities during the year as a part of a business combination.

1.22 Investment property

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at their cost, including transaction costs. Subsequent to initial recognition, investment properties are measured at fair value. Gains and losses arising from changes in the fair value of investment properties are included in profit and loss in the period in which they arise.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period in which the property is derecognised.

1.23 Compulsory Campaign Levy

The compulsory campaign levy was established by the Construction Forestry and Maritime Employees Union Construction & General Division National Office (CFMEU C&G National Office) to provide resources to fight against attacks against the Union by employers, governments and media. The levy is paid to the CFMEU C&G National Office.

1.24 Retained earnings – Compulsory Levy Defence Fund

Other than the general fund account, the Union also operates a compulsory levy defence fund **(Defence Fund)**.

The Defence Fund is maintained to provide the additional resources needed to defend members of the Construction, Forestry and Maritime Employees Union, Construction & General Division, Queensland Northern Territory Divisional Branch **(QNTDB)** and the Construction, Forestry, Mining & Energy, Industrial Union of Employees, Queensland State Construction and General Division (**CFMEUQ**) against continuing attacks from employers and Federal Government agencies.

Funds collected by the compulsory Defence Fund levy as held in investment properties for value of $6,649,562 with remaining funds held in cash. The Defence Fund has not been used during 31 March 2024 financial year.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

1.24 Retained earnings – Compulsory Levy Defence Fund (continued)

All funds required by the rules of the Union are included in the retained earnings as detailed in the Statement of changes in equity.

The surplus in compulsory levy defence fund collected from members resident in Queensland during the 31 March 2024 financial year, and retained in the Defence Fund is $1,166,801.

1.25 Service Agreement

Longstanding administrative arrangements have existed between the Construction, Forestry and Maritime Employees Union Construction and General Division Queensland Northern Territory Divisional Branch (**QNTDB**) and the Construction, Forestry, Mining & Energy, Industrial Union of Employees, Queensland State Construction and General Division (**CFMEUQ**) to improve the effectiveness of dual registration and, as far as practicable, to reduce unnecessary costs associated with dual registration.

The administrative arrangements established the QNTDB as the 'operating entity' in that, for consideration provided by the CFMEUQ (namely the agreement to not collect entrance fees or subscriptions from members of both the CFMEUQ and the QNTDB (**Dual Members**)), the QNTDB would provide the resources necessary to service the Dual Members and members of the CFMEUQ.

Following negotiations between the QNTDB and the CFMEUQ, it was determined by the State Divisional Executive to agree to alter these arrangements, including the arrangements for the collection of entrance fees or subscriptions. An agreement was entered into between the QNTDB and the CFMEUQ to reflect these new arrangements and has been in operation for the entirety of the financial year ended 31 March 2024 and 31 March 2023 (**Service Agreement**).

As a result of the alteration to these arrangements by the Service Agreement, a number of items were transferred from the QNTDB to the CFMEUQ including: accrued employee entitlements; ongoing employee expenses; financial administration costs; agents fees; the defence fund and legal fees.

The CFMEUQ, for consideration provided by the QNTDB (namely the agreement to not collect entrance fees or subscriptions from members of both the CFMEUQ and the QNTDB (**Dual Members**)), provides the resources necessary to service the Dual Members, members of the QNTDB and members of the Manufacturing Division.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

1.26 Current versus non-current classification

The Union presents assets and liabilities in the statement of financial position based on current/non-current classification.

An asset is current when it is:

- Expected to be realized or intended to be sold or consumed in the normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within 12 months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in the normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within 12 months after the reporting period; or
- There is no unconditional rights to defer the settlement of the liability for at least 12 months after the reporting period.

The terms of the liability that could, at the option of the counter party, result in its settlement by the issue of equity instruments do not affect its classification.

The Union classified all other liabilities as non-current.

NOTE 2 EVENTS AFTER REPORTING DATE

There were no further events that occurred after 31 March 2024, and/ or prior to the signing of the financial statements, that would affect the ongoing structure and financial activities of the Union.

NOTE 3 INCOME

	31 March 2024 $	31 March 2023 $
Disaggregation of revenue from contracts with customers		
A disaggregation of the Union's revenue by type of arrangements is provided on the face of the Statement of comprehensive income. The table below also sets out a disaggregation of revenue by type of customer.		
Type of customer		
Members	14,783,778	12,197,954

NOTE 5 ASSETS (CONTINUED)

Note 5E: Property, plant and equipment (continued)

AASB 16 disclosure:	Subject to operating leases	Not subject to operating leases	Total
	$	$	$
Building at independent valuation	98,842	576,158	675,000
Building at cost	12,245	71,374	83,619
Less accumulated depreciation	(5,304)	(30,919)	(36,223)
Total plant and equipment	105,783	616,613	722,396

The above buildings that is subject to operating leases is 16 Campbell St building.

The revalued land and buildings consist of:

Land – 16 Campbell Street	$4,000,000
Land – 14 Campbell Street	$2,000,000
Land – 43/12 Charlton Court Woolner NT	$ 75,000
Building – 16 Campbell Street	$ 675,000
Building – 14 Campbell Street	$ 300,000
Building – 43/12 Charlton Court Woolner NT	$ 275,000
Storage Shed – 13 Commerce Street, Yatala	$ 230,000

Management determined that these constitute one class of asset under AASB 13, based on the nature, characteristics and risks of the properties.

Fair value of the properties was determined by using the market comparable method. This means that valuations performed by the valuer are based on active market prices, significantly adjusted for the difference in the nature, location or condition of the specific property. The properties' fair values are based on valuations performed by the following valuers:

Land and Building	Valuer	Registration Number	Valuation Company
16 Campbell Street Bowen Hills QLD	Michael Galvin	1779	Hymans Property
14 Campbell Street Bowen Hills QLD	Michael Galvin	1779	Hymans Property
43/12 Charlton Court Woolner NT	Emma Jackson	44637	Valuations NT
13 Commerce Street, Yatala QLD	Michael Galvin	1779	Hymans Property

The above valuers are certified and accredited independent valuers. The properties were valued on 31 March 2023 and the same values have been adopted for 31 March 2024.

NOTE 5 ASSETS (CONTINUED)

	31 March 2024 $	31 March 2023 $
Note 5F: Investment property		
Balance at the beginning of the year	18,469,900	16,595,563
Additions	40,898	1,584,323
Disposal	(68,315)	-
Net gain/(loss) from fair value adjustment	-	290,014
Total Investment property	18,442,483	18,469,900

During the year ended 31 March 2024, the Union acquired the following investment properties at cost:

Property development project – Campbell St	$40,898

The revalued investment properties consist of:

17 Borrila Court Jingli NT	$ 680,000
1717/43 Knuckey Street Darwin NT	$ 365,000
152 Bayswater Rd Currajong QLD	$ 470,000
Unit 15 Manor Apartments QLD	$ 360,000
Unit 20 Manor Apartments QLD	$ 360,000

The valuations were performed by the following valuers:

Investment Property	Valuer	Registration Number	Valuation Company
17 Borrila Court Jingli NT	Emma Jackson	44637	Valuations NT
1717/43 Knuckey Street Darwin NT	Emma Jackson	44637	Valuations NT
152 Bayswater Rd Currajong QLD	Clancy Miller	107205	Acumentis
Unit 15 Manor Apartments QLD	Michael Galvin	1779	Hymans Property
Unit 20 Manor Apartments QLD	Michael Galvin	1779	Hymans Property

The above valuers are accredited independent valuers with a recognised and relevant professional qualification and with recent experience in the location and category of the investment properties being valued.

The fair value of completed investment properties has been determined on a market value basis in accordance with International Valuation Standards (IVS), as set out by the International Valuation Standards Council (IVSC).

The highest and best use of the investment properties is not considered to be different from its current use.

The valuation method used to value the above investment properties is considered to be the Direct Comparison approach, whereby the subject property is compared to recent sales of similar properties within the surrounding vicinity.

The fair value of investment property is included within Level 2 at Note 13.

AS400 Modernisation Project contribution to CFMEU C&G National Office	1,297,575	-

NOTE 8 RELATED PARTY DISCLOSURES

Note 8A: Related Party Transactions for the Reporting Period (continued)

Terms and conditions of transactions with related parties

Related party transactions occur between the Union and the Construction, Forestry and Maritime Employees Union Construction and General Division Queensland Northern Territory Divisional Branch (CFMEU C&G QNTDB).

The sales to and purchases from related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances for sales and purchases at the year end are unsecured and interest free and settlement occurs in cash. There have been no guarantees provided or received for any related party receivables or payables. For the year ended 31 March 2024, the union has not recorded any impairment of receivables relating to amounts owed by related parties and declared person or body (2023: $Nil). This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates. The loan received from CFMEU C&G QNTDB does not incur interest and is expected to be repaid within 5 years.

Related party transactions also occur between the Union and other reporting units including the National Office of the Construction & General Division (CFMEU C&G National Office). Related Party disclosures in the financial report are presented on an accrual basis. Whilst the financial records of the Union have been kept, as far as practicable, in a manner consistent with each other reporting units of the organisation, the balances and transactions reported in this financial report may differ to those recorded in the financial report of the counterparty reporting unit. This may arise due to timing difference in the respective recordkeeping of the related reporting units, for example, in the receipt of payments, correspondence in transit or the alternative categorisation of balances/transactions.

From time-to-time, the National Office of the Construction & General Division of the CFMEU (CFMEU C&G National Office) coordinates various administrative activities on behalf of the Union. This includes the collation of certain costs, which are apportioned to the appropriate branches and invoiced in full. Accordingly, with the National Office merely being the facilitator of such transactions between the Union and independent third parties (and there is no profit component in recharging these costs), these are not considered to be related party expenditures of the Union and hence are not required to be disclosed.

Notwithstanding this, the transfer of funds to meet these obligations remain related party transactions, and accordingly have been disclosed in the related party cash flows reported at Note 7B. Additionally, any amounts outstanding as at balance date between related parties have been disclosed at Note 8A.

NOTE 8 RELATED PARTY DISCLOSURES (CONTINUED)

Note 8B: Key Management Personnel Remuneration for the Reporting Period

Key management personnel comprise those individuals who have the authority and responsibility for planning, directing and controlling the activities of the Union. The Union has determined that key management personnel comprises of:

- Michael Ravbar (State Secretary)
- Royce Kupsch (State President) – Honorary from 19/12/2022
- Jade Ingham (Assistant State Secretary)
- Kane Lowth (Assistant State Secretary)

During the year, the key management personnel of the Union were remunerated as follows:

	31 March 2024 $	31 March 2023 $
Short-term employee benefits		
Salary (including annual leave taken)	629,567	688,107
Annual leave accrued	276	(4,178)
Performance bonus	-	-
Other employee benefits	4,822	6,089
Total short-term employee benefits	634,665	690,018
Post-employment benefits:		
Superannuation	70,408	77,012
Redundancy fund	21,032	25,689
Total post-employment benefits	91,440	102,701
Other long-term benefits:		
Long-service leave	19,825	(257)
Total other long-term benefits	19,825	(257)
Termination benefits		
Total	745,930	792,462

No other transactions occurred during the year with elected officers, close family members or other related parties than those related to their membership or employment and on terms no more favourable than those applicable to any other member or employee.

NOTE 9 LEASES

The Union as a lessee

The Union has a lease over real property.

Information relating to the lease in place for real property and associated balances and transactions are provided below.

Terms and conditions of leases:

Premises are leased over a 3-year period with an option to extend. There are no rent increments noted on the leases. The premises are located at 446 Flinders St Townsville and 448 Flinders St Townville.

	31 March 2024 $	31 March 2023 $
Right-of-use assets		
Balance at beginning of the year	7,426	96,531
Additions to right-of-use assets	-	-
Depreciation charge	(7,426)	(89,105)
Balance at end of year	-	7,426
Lease liabilities		
Current	-	7,827
Non-current	-	-
Total	-	7,827

The maturity analysis of lease liabilities based on contractual undiscounted cash flows is shown in the table below:

	< 1 year $	1 - 5 years $	> 5 years $	Total undiscounted lease liabilities $	Lease liabilities included in this Balance Sheet $
2024					
Lease liabilities	-	-	-	-	-
2023					
Lease liabilities	7,851	-	-	7,851	7,827

Extension options

The building lease contains an extension option which allows the Union to extend the lease term of the original non-cancellable period of the lease. At commencement date and each subsequent reporting date, the Union assesses whether it is reasonably certain that the extension option will be exercised. The Union did not exercise the extension options and terminated the lease upon its expiry in May 2024.

NOTE 9 LEASES (CONTINUED)

Statement of Profit or Loss and Other Comprehensive Income

The amounts recognised in the statement of profit or loss and other comprehensive income relating to leases where the Union is a lessee are shown below:

	31 March 2024 $	31 March 2023 $
Interest expense	25	2,242
Depreciation of right-of-use assets	7,426	89,105
	7,451	91,347

Statement of Cash Flows

Total cash outflow for leases	11,230	99,144

NOTE 10 CONTINGENT LIABILITIES, ASSETS AND COMMITMENTS

(a) Operating lease commitments

Leases as lessor

The Union leases out a portion of its business premises held under operating lease. The leases run for a period ranging between 3 to 5 years. The future minimum receivable payments under non-cancellable operating leases are as follows:

	31 March 2024 $	31 March 2023 $
Receivable – minimum lease commitments		
- not later than 12 months	75,077	13,822
- between 12 months and 5 years	150,504	-
- greater than 5 years	-	-
Minimum lease payments	225,581	13,822

(b) Contingent liabilities and commitments

The Committee of Management is not aware of any contingent assets or liabilities that are likely to have a material effect on the results of the Union.

(c) Finance lease commitments

The Union does not have any finance lease commitments.

(d) Capital expenditure commitments

The branch has made a capital expenditure commitment to CFMEU C&G National Office for $3,995,323 over the next 5 years. The capitation expenditure is for the AS400 Modernisation Project which commenced in July 2024 and will take 3-5 years to complete. The project is a complete redevelopment of the membership database system. Branches from all states will also be contributing to this project.

NOTE 11 REMUNERATION OF AUDITORS

	31 March 2024 $	31 March 2023 $
Value of the services provided		
Financial statement audit services	30,072	27,463
Other services	-	-
Total remuneration of auditors	30,072	27,463

No other services were provided by the auditors of the financial statements.

NOTE 12 FINANCIAL INSTRUMENTS

Financial Risk Management Policy

The Committee of Management monitors the Union's financial risk management policies and exposure and approves financial transactions entered into. It also reviews the effectiveness of internal controls relating to the counterparty credit risk, liquidity risk, market risk and interest rate risk. The Committee of Management meets on a monthly basis to review the financial exposure of the Union.

Note 12A: Credit Risk

Exposure to credit risk relating to financial assets arises from the potential non-performance by counterparties of contract obligations that could lead to a financial loss of the Union. The Union does not have any material credit risk exposures as its major source of revenue is the receipt of rental income.

The maximum exposures to credit risk by class of recognised financial assets at the end of the reporting period is equivalent to the carrying value and classification of those financial assets (net of provisions) as presented in the statement of financial position.

The Union has no significant concentration of credit risk with respect to any single counterparty or group of counterparties. The class of assets described as Trade and Other Receivables is considered to be the main source of credit risk related to the Union.

On a geographical basis, the Union's trade and other receivables are all based in Australia.

The Union applies the simplified approach to providing for expected credit losses prescribed by AASB 9, which permits the use of the lifetime expected loss provision for all accounts receivable. To measure the expected credit losses, accounts receivable have been grouped based on shared credit risk characteristics and the days past due. The loss allowance provision as at 31 March 2024 is determined as follows. The expected credit losses below also incorporate forward looking information.

NOTE 12 FINANCIAL INSTRUMENTS (CONTINUED)

Note 12A: Credit Risk (Continued)

The balance of receivables that remain within initial trade terms (as detailed in the table) are considered to be of high credit quality.

Ageing of financial assets that were past due but not impaired for 2024

	0 to 30 days	31 to 60 days	61 to 90 days	90+ days	Total
	$	$	$	$	$
Expected loss rate	95.5%	0%	0%	0%	95.5%
Gross Carrying amount	984,478	-	-	-	984,478
Loss allowing provision	939,813	-	-	-	939,813

Ageing of financial assets that were past due but not impaired for 2023

	0 to 30 days	31 to 60 days	61 to 90 days	90+ days	Total
	$	$	$	$	$
Expected loss rate	61.7%	0%	0%	0%	61.7%
Gross Carrying amount	1,270,349	-	-	-	1,270,349
Loss allowing provision	783,735	-	-	-	783,735

The Union has no significant concentration of credit risk with respect to any single counterparty or group of counterparties other than those receivables specifically provided for and mentioned within Note 5. The main source of credit risk to the entity is considered to relate to the class of assets described as "accounts receivable and other debtors".

The Union always measures the loss allowance for accounts receivables at an amount equal to lifetime expected credit loss. The expected credit losses on accounts receivable are estimated using a provision matrix by reference to past default experience of the debtor and an analysis of the debtor's current financial position, adjusted for factors that are specific to the debtors, general economic conditions of the industry in which the debtors operate and an assessment of both the current as well as the forecast direction of conditions at the reporting date.

There has been no change in the estimation techniques or significant assumptions made during the current reporting period.

The Union writes off an account receivable when there is information indicating that the debtor is in severe financial difficulty and there is no realistic prospect of recovery (eg when the debtor has been placed under liquidation or has entered into bankruptcy proceedings) or when the trade receivables are over two years past due, whichever occurs earlier. None of the accounts receivable that have been written off are subject to enforcement activities.

Collateral held as security

The Union does not hold collateral with respect to its receivables at 31 March 2024 (31 March 2023: Nil).

NOTE 12 FINANCIAL INSTRUMENTS (CONTINUED)

Note 12B: Liquidity Risk

Liquidity risk arises from the possibility that the Union might encounter difficulty in settling its debts or otherwise meeting its obligations in relation to financial liabilities. The Union manages this risk through the following mechanisms:

- preparing forward looking cash flow estimates;
- maintaining a reputable credit profile;
- managing credit risk related to financial assets;
- only investing surplus cash with major financial institutions; and
- comparing the maturity profile of financial liabilities with the realisation profile of financial assets.

The tables below reflect an undiscounted contractual maturity analysis for non-derivative financial liabilities. The Union does not hold directly any derivative financial liabilities.

Cash flows realised from financial assets reflect management's expectation as to the timing of realisation. Actual timing may therefore differ from that disclosed. The timing of cash flows presented in the table to settle financial liabilities reflects the earliest contractual settlement dates

Financial Instrument Composition and Maturity Analysis

	Within 1 Year		1 to 5 Years		Over 5 Years		Total	
	2024	2023	2024	2023	2024	2023	2024	2023
	$	$	$	$	$	$	$	$
Financial liabilities due for payment								
Trade and other payables	1,036,089	842,192	-	-	-	-	1,036,089	842,192
Loan – CFMEU C&G QNTDB	-	-	5,500,000	-	-	-	5,500,000	-
Total expected outflows	1,036,089	842,192	5,500,000	-	-	-	6,536,089	842,192
Financial assets – cash flow receivable								
Cash and cash equivalents	3,586,320	3,218,579	-	-	-		3,586,320	3,218,579
Trade and other receivables	44,665	486,614	-	-	-		44,665	486,614
Financial assets	-	-	-	-	-		-	-
Total anticipated inflows	3,630,985	3,705,193	-	-	-		3,630,985	3,705,193
Net (outflow) / inflow on financial instruments	2,594,896	2,863,001	(5,500,000)	-	-		(2,905,104)	2,863,001

NOTE 12 FINANCIAL INSTRUMENTS (CONTINUED)

Note 12C: Market Risk

i. Interest rate risk
Exposure to interest rate risk arises on financial assets and financial liabilities recognised at the end of the reporting period whereby a future change in interest rates will affect future cash flows or the fair value of fixed rate financial instruments. The Union's exposure to interest rate risk arises from its cash at bank, term deposits and floating rate instruments.

The financial instruments which expose the Union to interest rate risk are limited to its cash reserves.

ii. Foreign exchange risk
The Union is not exposed to fluctuations in foreign currencies.

iii. Price risk
The Union is exposed to equity securities price risk.

Sensitivity Analysis

While the Union is exposed to changes in interest rates, due to the fact that any expected change in interest rates would have no significant impact on profit and loss or equity, no sensitivity analysis has been considered necessary.

No sensitivity analysis has been performed on foreign exchange risk, as the Union is not exposed to foreign currency fluctuations.

NOTE 13 FAIR VALUE MEASUREMENT

Fair Values

Fair value estimation

The fair values of financial assets and liabilities are presented in the following table and can be compared to their carrying values as presented in the statement of financial position. Fair value is the amount at which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties at an arm's length transaction.

Fair value may be based on information that is estimated or subject to judgement, where changes in assumptions may have a material impact on the amounts estimated. Areas of judgement and the assumptions have been detailed below. Where possible, valuation information used to calculate fair values is extracted from the market, with more reliable information available from markets that are actively traded.

In this regard, fair values for listed securities are obtained from quoted market bid prices. Where securities are unlisted and no market quotes are available, fair value is obtained using discounted cash flow analysis and other valuation techniques commonly used by market participants.

Differences between fair values and carrying amounts of financial instruments with fixed interest rates are due to the change in discount rates being applied by the market since their initial recognition by the Union. Most of these instruments, which are carried at amortised cost (i.e. accounts receivable), are to be held until maturity and therefore the fair value figures calculated bear little relevance to the Union.

NOTE 13 FAIR VALUE MEASUREMENT (CONTINUED)

The following table contains the carrying amounts and related fair values for the Union's financial assets and liabilities:

		31 March 2024		31 March 2023	
	Footnote	Carrying value	Fair value	Carrying value	Fair value
		$	$	$	$
Financial assets					
Cash and cash equivalents	(i)	3,586,320	3,586,320	3,218,579	3,218,579
Accounts receivable and other debtors	(i)	44,665	44,665	486,614	486,614
Financial assets		-	-	-	-
Total financial assets		3,630,985	3,630,985	3,705,193	3,705,193
Financial liabilities					
Accounts payable and other payables	(i)	1,036,089	1,036,089	842,192	842,192
Loan – CFMEU QNTDB		5,500,000	5,500,000	-	-
Total financial liabilities		6,536,089	6,536,089	842,192	842,192

The fair values disclosed in the above table have been determined based on the following methodologies:

(i) Cash and cash equivalents, accounts receivable and other debtors and accounts payable and other payables are short-term instruments in nature whose carrying value is equivalent to fair value. Trade and other payables exclude amounts provided for annual leave, which is outside the scope of AASB 9.

NOTE 13 FAIR VALUE MEASUREMENT (CONTINUED)

Fair Value Hierarchy

AASB 13: Fair Value Measurement requires the disclosure of fair value information by level of the fair value hierarchy, which categorises fair value measurement into one of the three possible levels based on the lowest level that an input that is significant to the measurement can be categorised into as follows:

Level 1

Measurements based on quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2

Measurements based on inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3

Measurements based on unobservable inputs for the asset or liability.

The fair values of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market date. If all significant inputs required to measure fair value are observable, the asset or liability is included in Level 2. If one or more significant inputs are not based on observable market data, the asset or liability is included in Level 3.

31 March 2024	**Level 1**	**Level 2**	**Level 3**	**Total**
Assets	**$**	**$**	**$**	**$**
Investment property	-	18,442,483	-	18,442,483
Land and buildings	-	16,251,203	-	16,251,203
31 March 2023				
Assets				
Investment property	-	18,469,900	-	18,469,900
Land and buildings	-	8,806,585	-	8,806,585

NOTE 14 DISCLOSURE OF OFFICERS' REMUNERATION AND NON-CASH BENEFITS

The highest paid officers of the Union for the disclosure period ended 31 March 2024 and the amounts of the relevant remuneration paid to them and the value or form of non-cash benefit received by them are set out below. There were only four officers paid by the Union during the period ended 31 March 2024.

(a) the highest paid officers of the Union for the financial year, and their remuneration, were as follows:

	Michael Ravbar State Branch Secretary	Royce Kupsch State Branch President	Jade Ingham Assistant State Branch Secretary	Kane Lowth Assistant State Branch Secretary	Total
	$	$	$	$	$
Salary and allowance	218,608	-	195,485	215,474	629,567
Movement in annual and long service leave provisions	25,389	-	13,239	(18,527)	20,101
Superannuation	23,682	-	21,479	25,247	70,408
Redundancy	7,010	-	7,011	7,011	21,032
Other employee benefits	1,608	-	1,607	1,607	4,822
	276,297	-	238,821	230,812	745,930

The non-cash benefit provided to the officers of the Union are motor vehicles which are owned by the Union. The motor vehicles are primarily used for work related purposes but may be used for personal use during non-working hours.

(b) Superannuation has been received by the following officers of the Union from a board position attained because of their position with the Union:

Michael Ravbar	State Branch Secretary	$16,481
Royce Kuspch	State Branch President	$NIL
Jade Ingham	Assistant State Branch Secretary	$7,394
Kane Lowth	Assistant State Branch Secretary	$2,911

No other remuneration or non-cash benefits had been received by Officers of the Union from a board position attained because of their position with the Union.

The above remuneration register of the Union has been disclosed as described under s. 764 (2) (e) of *Industrial Relations Act 2016.*

The Union has made no reportable payments to any related party or declared person or body of the Union in the year ended 31 March 2024.

Royce Kupsch resigned on 16 December 2022 as a Union employee. From 19 December 2022, he continues to be State Branch President role as a honorary position.

NOTE 15 SECTION 787 INDUSTRIAL RELATIONS ACT 2016

In accordance with the requirements of the *Industrial Relations Act 2016*, the attention of members is drawn to the provisions of subsections (1) to (3) of section 787, which reads as follows:

Information to be provided to members or registrar:

(1) A member of a reporting unit, or the registrar, may apply to the reporting unit for stated information, prescribed by regulation, about the reporting unit to be made available to the person making the application.

(2) The application must be in writing and state the period, which must be at least 14 days after the application is made, within which the information must be made available and state the way in which the information must be made available.

(3) The reporting unit's organization must ensure the reporting unit complies with the application.

NOTE 16 ADMINISTRATION OF FINANCIAL AFFAIRS BY A THIRD PARTY

There has been no administration of financial affairs by a third party.

NOTE 17 UNION DETAILS

The registered office of the Union is:

16 Campbell Street
Bowen Hills QLD 4006

NOTE 18 SEGMENT INFORMATION

The Union operates solely in one reporting segment, being the provision of industrial services in Queensland.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CONSTRUCTION, FORESTRY, MINING & ENERGY, INDUSTRIAL UNION OF EMPLOYEES, QUEENSLAND STATE CONSTRUCTION & GENERAL DIVISION

Report on the Financial Report

Opinion

We have audited the accompanying financial report of Construction, Forestry, Mining & Energy, Industrial Union of Employees, Queensland State Construction & General Division ("the Union"), which comprises the statement of financial position as at 31 March 2024, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the and the Committee of Management Statement.

The audit report has been prepared based on the requirements of section 768 of the *Industrial Relations Act 2016 (Qld)*.

In our opinion the financial report of the Construction, Forestry, Mining & Energy, Industrial Union of Employees, Queensland State Construction & General Division:

a) presents fairly in all material respects, the Union's financial position as at 31 March 2024 and its performance and cash flows for the year then ended; and

b) complies with Tier 1 reporting requirements under Australian Accounting Standards, the *Industrial Relations Act 2016 (Qld)* and the Reporting Guidelines for the purposes of section 765.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Company in accordance with the auditor independence requirements and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

PKF Brisbane Pty Ltd is a member of PKF Global, the network of member firms of PKF International Limited, each of which is a separately owned legal entity and does not accept any responsibility or liability for the actions or inactions of any individual member or correspondent firm(s). Liability limited by a scheme approved under Professional Standards Legislation.

Committee of Management's Responsibilities for the Financial Report

The Committee of Management and Secretary of the Union are responsible for the preparation and fair presentation of the financial report in accordance with the Australian Accounting Standards and the *Industrial Relations Act 2016 (Qld)* and for such internal control as the Committee of Management and Secretary of the Union determine is necessary to enable the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee of Management is responsible for assessing the Union's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Committee of Management either intends to liquidate the Union or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Union's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individual or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at http://www.auasb.gov.au/Home.aspx. This description forms part of our auditor's report.

Report on Other Regulatory Requirements

a) In our opinion, the Committee of Management's use of the going concern basis of accounting in the preparation of the financial report is appropriate.

b) I am an approved auditor as defined by s.595 of the *Industrial Relations Act 2016 (Qld)* being a member of the Institute of Chartered Accountants in Australia & New Zealand who holds a current Public Practice Certificate.

CONSTRUCTION, FORESTRY, MINING & ENERGY, INDUSTRIAL UNION OF EMPLOYEES, QUEENSLAND STATE CONSTRUCTION & GENERAL DIVISION

ADMINISTRATOR'S OPERATING REPORT

FOR THE YEAR ENDED 31 MARCH 2025

Operating Report

In accordance with section 764 of the *Industrial Relations Act 2016* ("Act") the Administrator presents its Operating Report on the Construction, Forestry, Mining & Energy, Industrial Union of Employees, Queensland State Construction & General Division ("Union"), for the year ended 31 March 2025.

Principal Activities

The principal activities of the Union, fall into the following categories:

- Implementation of the decisions of the State Executive and State Management Committee.
- The development and implementation of the Union policy through effective communications with members at the workplace.
- The administration of State awards, the variation of awards following major test cases (ie State wage case) and making other variations to awards for other industrial matters.
- Industrial support including representation of members grievances and/or advice at their workplaces and/or through the various industrial tribunals (ie Industrial Relations Commission, Workers Compensation etc).
- Ongoing communication to members and the broader community through meetings, rallies, media releases, journals and flyers.
- Growing the organisation through good on the job organisation and strong links between the organisers and members.

There were no significant changes to the nature of those activities during the period.

Operating Results

The operating deficit for the financial year amounted to $861,153 (31 March 2024: $2,250,668 surplus).

Significant Changes in Financial Affairs

There was no significant change in the financial affairs of the Union during the year.

Events subsequent to reporting date

Pursuant to a direction from the Administrator of the Union, it was resolved that from 1 April 2025, all membership subscriptions will be collected by the Construction, Forestry and Maritime Employees Union Construction and General Division Queensland Northern Territory Division Branch ('QNTDB') and not the Construction, Forestry, Mining & Energy, Industrial Union of Employees, Queensland State Construction and General Division ('CFMEUQ'). In addition to this, all supplier payments except property expenses will also become the responsibility of the QNTDB, which is expected to materially impact the level and type of revenue and expenses recorded in both entities, in future periods.

On 4 July 2025, the Administrator determined that the AS400 project will be discontinued. As a result, there is an adjusting impairment expense for the AS400 project for the year ended 31 March 2025.

Future Developments

Likely developments in the operations of the Union and the expected results of those operations in future financial years have not been included in this report as such information is likely to result in unreasonable prejudice to the Union.

Environmental Issues

The Union's operations are not regulated by any significant environmental regulation under a law of the Commonwealth or of a state or territory.

Members Right to Resign

A member may resign from the Union by written notice addressed and delivered to the Secretary of the Union in which membership is held.

Officers or Members who are Superannuation Fund Trustees/ Director of a Company that is a Superannuation Fund Trustee

Those who hold a position of trustee or director of an entity, scheme or company as described in s.764 (2) (d) of the *Industrial Relations Act 2016*, where a criterion of such entity is that the holder of such position must be a member or official of a registered organisation are as follows:

Hemal Patel	– Member of the Union - Director of BUSSQ
Paul Dunbar	– Member of the Union - Director of BUSSQ
Emma Eaves	– Member of the Union - Director of BUSSQ

Number of Members

The number of members at the end of the financial period recorded in the register of members and taken to be members of the Union was 19,554 (2024: 18,669).

Number of Employees

The number of full-time equivalent employees of the Union at the end of the financial year was 44 (2024: 49).

Members of the Committee of Management

The name of each person who has been a member of the Committee of Management up until the Union was placed into administration, and the period for which he or she held such a position is as follows:

Name	Period of appointment
Michael Ravbar	1/4/2024 – 23/8/2024
Royce Kupsch	1/4/2024 – 23/8/2024
Steve Gaske	1/4/2024 – 23/8/2024
Dallas Ezzy	1/4/2024 – 23/8/2024
Ian McKewin	1/4/2024 – 23/8/2024
Jade Ingham	1/4/2024 – 23/8/2024
Keith Murphy	1/4/2024 – 23/8/2024
Peter Close	1/4/2024 – 23/8/2024
Mark Read	1/4/2024 – 23/8/2024
Steve Amies	1/4/2024 – 23/8/2024
Kane Lowth	1/4/2024 – 23/8/2024

On 24 August 2024, the Union was put into administration by the Queensland Government under the *Industrial Relations Act (CFMEUQ Construction and General Division Administration) Administration Notice 2024.* As a result, the Committee of Management for the Union no longer exists from that date. The appointed Administrator has the power to approve these financial statements and has delegated this authority to the Executive Officer of the Union.

CONSTRUCTION, FORESTRY, MINING & ENERGY, INDUSTRIAL UNION OF EMPLOYEES, QUEENSLAND STATE CONSTRUCTION & GENERAL DIVISION

ADMINISTRATOR'S OPERATING REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2025

Members of the Administration

The name of each person who has been a member of the Administration of the Union at any time during the reporting period, and the period for which he or she held such a position is as follows:

Name	**Period of appointment**
Travis O'Brien	2/9/2024 – 3/2/2025
Jared Abbott	3/3/2025 – current

Indemnifying Officers or Auditors

The Union has not, during or since the end of the financial year, in respect of any person who is or has been an officer or auditor:

- indemnified or made any relevant agreement for indemnifying against a liability, including costs and expenses in successfully defending legal proceedings; or
- paid or agreed to pay a premium in respect of a contract insuring against liability for the costs or expenses to defend legal proceedings.

Disclosure Statements - Remuneration and Non-Cash Benefits of Highest Paid Officers

The highest paid officers of the Union for the disclosure period ended 31 March 2025 and the amounts of the relevant remuneration paid to them and the value or form of non-cash benefits received by them are set out in in Note 14 of the financial statements.

Disclosure Statements – Loans, Grants and Donations

A copy of the loans, grants and donations register of the Union have been disclosed as described under s. 764 (2) (f) of the *Industrial Relations Act 2016.*

This report is made in accordance with a resolution of the Executive Officer by delegation of the Administrator of the Union.

ADMINISTRATOR'S STATEMENT

FOR THE YEAR ENDED 31 MARCH 2025

On 29 July 2025, the Administrator of the Construction, Forestry, Mining & Energy, Industrial Union of Employees, Queensland State Construction & General Division ("Union") passed the following resolution to the General Purpose Financial Report (GPFR) of the reporting unit for the year ended 31 March 2025.

The Administrator declares in relation to the GPFR that in its opinion:

(a) the financial statements and notes comply with the Australian Accounting Standards;

(b) the financial statements and notes comply with the reporting guidelines of the Registrar;

(c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the Union for the financial year to which they relate;

(d) there are reasonable grounds to believe that the Union will be able to pay its debts as and when they become due and payable; and

(e) during the financial year to which the GPFR relates and since the end of that year:

i. meetings of the Committee of Management, up until the commencement of the administration, were held in accordance with the rules of the organisation and the rules of the Union concerned; and

ii. the financial affairs of the Union have been managed in accordance with the rules of the organisation including the rules of the Union concerned; and

iii. the financial records of the Union have been kept and maintained in accordance with the Act; and

iv. where the organisation consists of two or more reporting units, the financial records of the reporting unit have been kept, as far as practicable, in a consistent manner to each of the other reporting units of the organisation; and

v. where information has been sought in any request of a member of the reporting unit or Registrar duly made under section 787 of the Act, that information has been provided to the member or Registrar; and

vi. where any order for inspection of financial records has been made by the Queensland Industrial Relations Commission under section 788 of the Act, there has been compliance.

(f) the organisation has complied with the requirements under section 741 of the Act, Financial Management Training, and in so doing confirm the following:

Officer's Name: Jared Abbott
Role in the organisation: Executive Officer
Date the officer most recently completed the training: 5 May 2023
Training package: Union Governance
Provider: Australian Council of Trade Unions

This declaration is made in accordance with a resolution of the Administrator.

Note 18	Segment Information

NOTE 1 MATERIAL ACCOUNTING POLICY INFORMATION

1.1 Basis of preparation of the financial statements

The financial statements are general purpose financial statements and have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that apply for the reporting period and the *Industrial Relations Act 2016*. Compliance with Australian Accounting Standards ensures that the financial statements and notes also comply with International Financial Reporting Standards as issued by IASB. For the purpose of preparing the general purpose financial statements, the Construction, Forestry, Mining & Energy, Industrial Union of Employees, Queensland State Construction & General Division ('Union') is a not-for-profit entity. The Union has applied the Tier 1 reporting requirements as per the Australian Accounting Standard AASB 1053 *Application of Tiers of Australian Accounting Standards.*

The financial statements have been prepared on an accrual basis and in accordance with the historical cost, except for certain assets and liabilities measured at fair value, as explained in the accounting policies below. Historical cost is generally based on the fair values of the consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices on the results or the financial position. The financial statements are presented in Australian dollars.

For completeness, the Union has included all notes to the financial statements, even where such activities are not undertaken by them.

1.2 Comparative amounts

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

1.3 Significant accounting judgements and estimates

The following accounting assumptions or estimates have been identified that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

Key estimates and judgements

Impairment – general
The Union assesses impairment at each reporting period by evaluation of conditions and events specific to the Union that may be indicative of impairment triggers. Recoverable amounts of relevant assets are assessed using value-in-use calculations which incorporate various key assumptions. Refer to Note 5c for details of an impairment expense recognised in the current year.

Provisions
As described in the accounting policies, provisions are measured at management's best estimate of the expenditure required to settle the obligation at the end of the reporting period. These estimates are made taking into account a range of possible outcomes and will vary as further information is obtained.

NOTE 1 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

1.3 Significant accounting judgements and estimates (continued)

Receivables
The receivables at reporting date have been reviewed to determine whether there is any objective evidence that any of the receivables are impaired. An impairment provision is included for any receivable where the entire balance is not considered collectible. The impairment provision is based on the best information at the reporting date.

Useful lives of property, plant and equipment
Property, plant and equipment are depreciated over the useful life of the asset and the depreciation rates are assessed when the assets are acquired or when there is a significant change that affects the remaining useful life of the asset.

1.4 New Australian Accounting Standards

Adoption of New Australian Accounting Standard requirements

The Union has adopted all standards which became effective for the first time during the year, and the adoption of these standards has not caused any material adjustments to the reported financial position or performance.

Future Australian Accounting Standards Requirements

Certain new accounting standards have been published that are not mandatory for 31 March 2025 reporting periods and have not been early adopted by the Union. These standards are not expected to have a material impact on the Union in the current or future reporting periods and on foreseeable future transactions.

NOTE 1 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

1.5 Revenue

The Union enters into various arrangements where it received consideration from another party. These arrangements include consideration in the form of membership subscriptions, levies, sponsorships and interest.

The timing of recognition of these amounts as either revenue or income depends on the rights and obligations in those arrangements.

Revenue from contracts with customers

Where the Union has a contract with a customer, the Union recognises revenue when or as it transfers control of goods or service to the customer. The Union accounts for an arrangement as a contract with a customer if the following criteria are met:

- the arrangement is enforceable; and
- the arrangement contains promises (that are also known as performance obligations) to transfer goods or service to the customer (or to other parties on behalf of the customer) that are sufficiently specific so that it can be determined when the performance obligation has been satisfied.

For membership subscription arrangements that meet the criteria to be contracts with customers, revenue is recognised when the promised goods or services transfer to the customer as a member of the Union.

If there is only one distinct membership service promised in the arrangement, the Union recognises revenue as the membership service is provided, which is typically based on the passage of time over the subscription period to reflect the Union's promise to stand ready to provide assistance and support to the member as required.

If there is more than one distinct good or service promised in the membership subscription, the Union allocates the transaction price to each performance obligation based on the relative standalone selling price of each promised good or service. In performing this allocation, standalone selling prices are estimated if there is no observable evidence of the price that the Union charges for that good or service in a standalone sale. When a performance obligation is satisfied, which is either when the customer obtains control of the good or as the service transfers to the customer (for example, member services or training course), the Union recognises revenue at the amount of the transaction price that was allocated to that performance obligation.

For member subscriptions paid annually in advance, the Union has elected to apply the practical expedient to not adjust the transaction price for the effects of a significant financing component because the period from when the customer pays and the good or services will transfer to the customer will be one year or less.

When a member subsequently purchases additional goods or services from the Union at their standalone selling price, the Union accounts for those sales as a separate contract with a customer.

NOTE 1 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

1.5 Revenue (continued)

Capitation fees

Where the Union's arrangement with a branch or another reporting unit meets the criteria to be a contract with a customer, the Union recognises the capitation fees promised under that arrangement when or as it transfers service to the member.

In circumstances where the criteria for a contract with a customer are not met, the Union will recognise capitation fees as income upon receipt.

Levies

Levies paid by a member in an arrangement that meets the criteria to be a contract with a customer is recognised as revenue when or as the Union transfers the relevant services to the member. In circumstances where the criteria for a contract with a customer are not met, the Union will recognise levies as income upon receipt.

Income of the Union as a Not-for-Profit Entity

Consideration is received by the Union to enable the entity to further its objectives. The Union recognises each of these amounts of consideration as income when the consideration is received (which is when the Union obtains control of the cash) because, based on the rights and obligations in each arrangement:

- the arrangements do not meet the criteria to be contracts with customers because either the arrangement is unenforceable or lacks sufficiently specific promises to transfer goods or services to the customer; and
- The Union's recognition of the cash contribution does not give rise to any related liabilities.

The Union receives cash consideration from the following arrangements whereby that consideration is recognised as income upon receipt:

- donations and voluntary contributions from members (including whip arounds); and
- government grants – (Cash Flow Boost).

Gains from sale of assets

An item of property, plant and equipment is derecognised upon disposal (which is at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of comprehensive income when the asset is derecognised.

Interest income

Interest revenue is recognised on an accrual basis using the effective interest method.

NOTE 1 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

1.6 Employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave, long service leave and termination benefits when it is probable that settlement will be required and they are capable of being measured reliably.

Liabilities for short-term employee benefits (as defined in AASB 119 *Employee Benefits*) and termination benefits which are expected to be settled within twelve months of the end of the reporting period are measured at their nominal amounts. The nominal amount is calculated with regard to the rates expected to be paid on settlement of the liability.

Other long-term employee benefits which are expected to be settled beyond twelve months are measured as the present value of the estimated future cash outflows to be made by the Union in respect of services provided by employees up to reporting date.

Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

Provision is made for separation and redundancy benefit payments. The Union recognises a provision for termination as part of a broader restructuring when it has developed a detailed formal plan for the terminations and has informed those employees affected that it will carry out the terminations. A provision for voluntary termination is recognised when the employee has accepted the offer of termination.

NOTE 1 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

1.7 Leases

The Union assesses whether a contract is or contains a lease, at inception of a contract. The Union recognises a right-of-use asset and a corresponding lease liability with respect to all lease agreements in which it is the lessee, except for short-term leases (defined as leases with a lease term of 12 months or less) and leases of low value assets. For these leases, the Union recognises the lease payments as an operating expense on a straight-line basis over the term of the lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted by using the rate implicit in the lease. If this rate cannot be readily determined, the Union uses its incremental borrowing rate.

Lease payments included in the measurement of the lease liability comprise fixed lease payments, less any lease incentives.

The right-of-use assets comprise the initial measurement of the corresponding lease liability, lease payments made at or before the commencement date and any initial direct costs. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated over the shorter period of lease term and useful life of the underlying asset.

1.8 Borrowing costs

All borrowing costs are recognised in profit and loss in the period in which they are incurred.

1.9 Cash and cash equivalents

Cash is recognised at its nominal amount. Cash and cash equivalents includes cash on hand, deposits held at call with bank, other short-term highly liquid investments with original maturity of 3 months or less that are readily convertible to known amounts of cash and subject to insignificant risk of changes in value and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

1.10 Provisions

Provisions are recognised when the Union has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

NOTE 1 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

1.11 Financial instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the Union becomes a party to the contractual provisions of the instrument.

1.12 Financial assets

Contract assets and receivables

A contract asset is recognised when the Union's right to consideration for exchange goods or services that has transferred to the customer when that right is conditioned on the Union's future performance or some other condition. A receivable is recognised if an amount of consideration that is unconditional is due from the customer (i.e. only the passage of time is required before payment of the consideration is due).

Contract assets and receivables are subject to impairment assessment. Refer to accounting policies on impairment of financial assets below.

Initial recognition and measurement

Financial assets are classified, at initial recognition, and subsequently measured at amortised cost, fair value through other comprehensive income (**OCI**), or fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Union's business model for managing them. With the exception of trade receivables that do not contain a significant financing component, the Union initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs.

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest' (**SPPI**) on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level.

The Union's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Union commits to purchase or sell the asset.

NOTE 1 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

1.12 Financial assets (Continued)

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories as:

- Financial assets at amortised cost
- Financial assets at fair value through other comprehensive income
- Investments in equity instruments designated at fair value through other comprehensive income

Financial assets at amortised cost

The Union measures financial assets at amortised cost if both of the following conditions are met:

- The financial asset is held within a business model with the objective to hold financial assets in order to collect contractual cash flows and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

Financial assets at amortised cost are subsequently measured using the effective interest (**EIR**) method and are subject to impairment. Gains and losses are recognised in profit or loss when the asset is derecognised, modified or impaired.

The Union's financial assets at amortised cost includes trade receivables, receivables from other reporting units and term deposits.

Derecognition

A financial asset is derecognised when:

- The rights to receive cash flows from the asset have expired or
- The Union has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either:
    a) the Union has transferred substantially all the risks and rewards of the asset, or
    b) the Union has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Union has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if, and to what extent, it has retained the risks and rewards of ownership.

When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Union continues to recognise the transferred asset to the extent of its continuing involvement together with associated liability.

NOTE 1 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

1.12 Financial assets (Continued)

Offsetting

Financial assets and financial liabilities are offset and the net amount is reported in the statement of financial position if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Impairment

(i) Trade receivables

For trade receivables that do not have a significant financing component, the Union applies a simplified approach in calculating expected credit losses (**ECLs**) which requires lifetime expected credit losses to be recognised from initial recognition of the receivables.

Therefore, the Union does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Union has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

(ii) Debt instruments other than trade receivables

For all debt instruments other than trade receivables and debt instruments not held at fair value through profit or loss, the Union recognises an allowance for expected credit losses using the general approach. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Union expects to receive, discounted at an approximation of the original effective interest rate.

ECLs are recognised in two stages:

- Where there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses from possible default events within the next 12-months (a 12-month ECL).
- Where there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the debt, irrespective of the timing of the default (a lifetime ECL).

The Union considers a financial asset in default when contractual payments are 90 days past due. However, in certain cases, the Union may also consider a financial asset to be in default when internal or external information indicates that the Union is unlikely to receive the outstanding contractual amounts in full. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

NOTE 1 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

1.13 Financial Liabilities

Financial liabilities are classified, at initial recognition, at amortised cost or at fair value through profit or loss.

All financial liabilities are recognised initially at fair value and, in the case of financial liabilities at amortised cost, net of directly attributable transaction costs.

The Union's financial liabilities include trade and other payables.

Subsequent measurement

Financial liabilities at amortised cost

After initial recognition, trade payables and interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in profit or loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in profit or loss.

1.14 Liabilities relating to contracts with customers

Contract liabilities

A contract liability is recognised if a payment is received or a payment is due (whichever is earlier) from a customer before the Union transfers the related goods or services. Contract liabilities include deferred income. Contract liabilities are recognised as revenue when the Union performs under the contract (i.e. transfers control of the related goods or services to the customer).

Refund liabilities

A refund liability is recognised for the obligation to refund some or all of the consideration received (or receivable) from a customer. The Union's refund liabilities arise from customers' right of return. The liability is measured at the amount the Union's ultimately expects it will have to return to the customer. The Union updates its estimates of refund liabilities (and the corresponding change in the transaction price) at the end of each reporting period.

NOTE 1 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

1.15 Contingent Liabilities and Contingent Assets

Contingent liabilities and contingent assets are not recognised in the Statement of Financial Position but are reported in the relevant notes. They may arise from uncertainty as to the existence of a liability or asset or represent an existing liability or asset in respect of which the amount cannot be reliably measured. Contingent assets are disclosed when settlement is probable but not virtually certain, and contingent liabilities are disclosed when settlement is greater than remote.

1.16 Property, Plant and Equipment

Asset Recognition Threshold

Purchases of land, buildings, plant and equipment are recognised initially at cost in the Statement of Financial Position. The initial cost of an asset includes an estimate of the cost of dismantling and removing the item and restoring the site on which it is located.

Revaluations—Land and Buildings

Following initial recognition at cost, land and buildings are carried at fair value less subsequent accumulated depreciation and accumulated impairment losses. Revaluations are performed with sufficient frequency such that the carrying amount of assets do not differ materially from those that would be determined using fair values as at the reporting date.

Revaluation adjustments are made on a class basis. Any revaluation increment is credited to equity under the heading of asset revaluation reserve except to the extent that it reversed a previous revaluation decrement of the same asset class that was previously recognised in the surplus/deficit. Revaluation decrements for a class of assets are recognised directly in the profit or loss except to the extent that they reverse a previous revaluation increment for that class. Any accumulated depreciation as at the revaluation date is eliminated against the gross carrying amount of the asset and the asset is restated to the revalued amount.

Depreciation

Depreciable property, plant and equipment assets are written-off to their estimated residual values over their estimated useful life using, in all cases, the straight line method of depreciation except motor vehicles which are depreciated on a diminishing value basis. Depreciation rates (useful lives), residual values and methods are reviewed at each reporting date and necessary adjustments are recognised in the current, or current and future reporting periods, as appropriate.

Depreciation rates applying to each class of depreciable asset are based on the following useful lives:

	31 March 2025	31 March 2024
Buildings	4-10%	4-10%
Plant and equipment	12.5-25%	12.5-25%
Motor Vehicles	25%	25%
Computer Equipment	30%	30%

NOTE 1 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

1.16 Property, Plant and Equipment (continued)

Derecognition

An item of land, buildings, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the profit and loss.

1.17 Impairment

All assets are assessed for impairment at the end of each reporting period to the extent that there is an impairment trigger. Where indications of impairment exist, the asset's recoverable amount is estimated and an impairment adjustment made if the asset's recoverable amount is less than its carrying amount.

The recoverable amount of an asset is the higher of its fair value less costs of disposal and its value in use. Value in use is the present value of the future cash flows expected to be derived from the asset. Where the future economic benefit of an asset is not primarily dependent on the asset's ability to generate future cash flows, and the asset would be replaced if the Union were deprived of the asset, its value in use is taken to be its depreciated replacement cost.

1.18 Income Tax

The Union is exempt from income tax under section 50.1 of *the Income Tax Assessment Act 1997* however still has an obligation for Fringe Benefits Tax (FBT) and the Goods and Services Tax (GST).

Revenues, expenses and assets are recognised net of GST except:

- where the amount of GST incurred is not recoverable from the Australian Taxation Office; and
- for receivables and payables.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables.

Cash flows are included in the cash flow statement on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the Australian Taxation Office is classified within operating cash flows.

1.19 Fair value measurement

The Union measures financial instruments, such as, financial assets at fair value through the profit and loss and non-financial assets such as land and buildings and investment properties, at fair value at each balance sheet date. Also, fair values of financial instruments measured at amortised cost are disclosed in Note 13.

NOTE 1 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

1.19 Fair value measurement (continued)

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Union. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Union uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1—Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2—Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3—Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Union determines whether transfers have occurred between Levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

External valuers are involved for valuation of significant assets, such as land and buildings and investment properties. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. For the purpose of fair value disclosures, the Union has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.

NOTE 1 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

1.20 Going concern

The Union has not agreed to provide financial support to another reporting unit to ensure they can continue on a going concern basis.

The Union recorded a net current asset deficiency as at 31 March 2025 of $9,415,389 (31 March 2024: deficiency of $2,778,847). The deficiency has resulted from the acquisition of further investment properties during the year, which is in line with the strategic objectives of the Union. The ability of the entity to continue as a going concern is reliant on the continued short-term support from the CFMEU C&G National office and CFMEU C&G QNTDB, the generation of future surplus results and the expected proceeds from the disposal of investment properties. The Union retains a strong net asset position as consistent with the prior year.

1.21 Acquisition of Assets and Liabilities that do not constitute a Business Combination

The Union did not acquire any assets or liabilities during the year as a result of:

(a) an amalgamation under Part 14 of Chapter 12 of the Act in which the organisation (of which the reporting unit form part) was the amalgamated organisation; or
(b) a restructure of the branches of the organisation; or
(c) a determination by the Registrar under section 755 of the Act of an alternative reporting structure for the organisation; or
(d) a revocation by the Registrar under section 759 of the Act of a certificate issued to an organization under section 755.

The Union did not acquire any assets or liabilities during the year as a part of a business combination.

1.22 Investment property

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at their cost, including transaction costs. Subsequent to initial recognition, investment properties are measured at fair value. Gains and losses arising from changes in the fair value of investment properties are included in profit and loss in the period in which they arise.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period in which the property is derecognised.

1.23 Compulsory Campaign Levy

The compulsory campaign levy was established by the Construction Forestry and Maritime Employees Union Construction & General Division National Office (CFMEU C&G National Office) to provide resources to fight against attacks against the Union by employers, governments and media. The levy is paid to the CFMEU C&G National Office.

NOTE 1 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

1.24 Retained earnings – Compulsory Levy Defence Fund

Other than the general fund account, the Union also operates a compulsory levy defence fund **(Defence Fund)**.

The Defence Fund is maintained to provide the additional resources needed to defend members of the Construction, Forestry and Maritime Employees Union, Construction & General Division, Queensland Northern Territory Divisional Branch **(QNTDB)** and the Construction, Forestry, Mining & Energy, Industrial Union of Employees, Queensland State Construction and General Division (**CFMEUQ**) against continuing attacks from employers and Federal Government agencies.

Funds collected by the compulsory Defence Fund levy as held in investment properties for value of $11,672,059 with remaining funds held in cash.

All funds required by the rules of the Union are included in the retained earnings as detailed in the Statement of changes in equity.

The surplus in compulsory levy defence fund collected from members resident in Queensland during the 31 March 2025 financial year, and retained in the Defence Fund is $1,296,514.

1.25 Service Agreement

Longstanding administrative arrangements have existed between the Construction, Forestry and Maritime Employees Union Construction and General Division Queensland Northern Territory Divisional Branch (**QNTDB**) and the Construction, Forestry, Mining & Energy, Industrial Union of Employees, Queensland State Construction and General Division (**CFMEUQ**) to improve the effectiveness of dual registration and, as far as practicable, to reduce unnecessary costs associated with dual registration.

The administrative arrangements established the QNTDB as the 'operating entity' in that, for consideration provided by the CFMEUQ (namely the agreement to not collect entrance fees or subscriptions from members of both the CFMEUQ and the QNTDB (**Dual Members**)), the QNTDB would provide the resources necessary to service the Dual Members and members of the CFMEUQ.

Following negotiations between the QNTDB and the CFMEUQ, it was determined by the State Divisional Executive to agree to alter these arrangements, including the arrangements for the collection of entrance fees or subscriptions. An agreement was entered into between the QNTDB and the CFMEUQ to reflect these new arrangements and has been in operation for the entirety of the financial year ended 31 March 2025 and 31 March 2024 (**Service Agreement**).

As a result of the alteration to these arrangements by the Service Agreement, a number of items were transferred from the QNTDB to the CFMEUQ including: accrued employee entitlements; ongoing employee expenses; financial administration costs; agents fees; the defence fund and legal fees.

The CFMEUQ, for consideration provided by the QNTDB (namely the agreement to not collect entrance fees or subscriptions from members of both the CFMEUQ and the QNTDB (**Dual Members**)), provides the resources necessary to service the Dual Members, members of the QNTDB and members of the Manufacturing Division.

NOTE 1 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

1.25 Service Agreement (continued)

It was resolved that from 1 April 2025 administrative arrangements between the entities would change. Under the agreement, administration arrangements, including the collection of subscription fees from members, labour and staffing costs would become the responsibility of QNTDB, which is expected to materially impact the level and type of revenues and expenses recorded in both entities, in future periods.

1.26 Current versus non-current classification

In accordance with AASB 101, the Union presents assets and liabilities in the statement of financial position based on current/non-current classification.

An asset is current when it is:

- Expected to be realized or intended to be sold or consumed in the normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within 12 months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in the normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within 12 months after the reporting period; or
- There is no unconditional rights to defer the settlement of the liability for at least 12 months after the reporting period.

The terms of the liability that could, at the option of the counter party, result in its settlement by the issue of equity instruments do not affect its classification.

The Union classified all other liabilities as non-current.

NOTE 2 EVENTS AFTER REPORTING DATE

Pursuant to a direction from the Administrator of the Union, it was resolved that from 1 April 2025, all membership subscriptions will be collected by the Construction, Forestry and Maritime Employees Union Construction and General Division Queensland Northern Territory Division Branch ('QNTDB') and not the Construction, Forestry, Mining & Energy, Industrial Union of Employees, Queensland State Construction and General Division ('CFMEUQ'). In addition to this, all supplier payments except property expenses will also become the responsibility of the QNTDB, which is expected to materially impact the level and type of revenue and expenses recorded in both entities, in future periods.

On 4 July 2025, the Administrator determined that the AS400 project will be discontinued. As a result, there is an adjusting impairment expense for the AS400 project for the year ended 31 March 2025. Other than the above, there were no further events that occurred after 31 March 2025, and/ or prior to the signing of the financial statements, that would affect the ongoing structure and financial activities of the Union.

NOTE 3 INCOME

Receivable held with CFMEU C&G National Office	766,144	1,297,575
Total other current assets	796,667	1,646,283

The branch paid $2,701,357 to the CFMEU C&G National Office towards the AS400 Modernisation Project. The Administrator determined on 4/7/2025 that the AS400 project will be discontinued. This has resulted in impairment of contributions made to the National Office regarding the AS400 project of $1,935,213. The balance of $766,144 is held with the CFMEU C&G National Office representing unspent funding on the AS400 project (net of termination costs) which will be used for ongoing and maintenance support of the AS400 until a new modern database system is secured. Once a new database system is secured, any surplus will be refunded back to the branch.

NOTE 5 ASSETS (CONTINUED)	31 March 2025	31 March 2024
	$	$

Note 5E: Property, plant and equipment (continued)

Management determined that these constitute one class of asset under AASB 13, based on the nature, characteristics and risks of the properties.

Fair value of the properties was determined by using the market comparable method. This means that valuations performed by the valuer are based on active market prices, significantly adjusted for the difference in the nature, location or condition of the specific property. The properties' fair values are based on valuations performed by the following valuers:

Land and Building	Valuer	Registration Number	Valuation Company
16 Campbell Street Bowen Hills QLD	Michael Galvin	1779	Hymans Property
14 Campbell Street Bowen Hills QLD	Michael Galvin	1779	Hymans Property
43/12 Charlton Court Woolner NT	Emma Jackson	44637	Valuations NT
13 Commerce Street, Yatala QLD	Michael Galvin	1779	Hymans Property

The above valuers are certified and accredited independent valuers. The properties were valued on 31 March 2023 and the same values have been adopted for 31 March 2025.

Note 5F: Investment property

Balance at the beginning of the year	18,442,483	18,469,900
Additions	9,023,964	40,898
Transfer of PPE to investment property	218,500	-
Disposal	-	(68,315)
Net gain/(loss) from fair value adjustment	-	-
Total Investment property	27,684,947	18,442,483

During the year ended 31 March 2025, the Union acquired the following investment properties at cost:

Property development project – Campbell St	$ 165,730
Investment Property - 16 Jamieson Street Bowen Hills	$ 2,806,195
Investment Property - 12 Jamieson Street Bowen Hills	$ 2,216,303
Investment Property - 8 Jamieson Street Bowen Hills	$ 3,183,704
Property development project - Jamieson St Bowen Hills	$ 652,032
Investment Property – Unit 3/13 Commerce Circuit, Yatala	$ 218,500

Total Work in Progress regarding Property Development as of 31 March 2025 is $6,186,400 (2024: $5,368,637).

NOTE 5 ASSETS (CONTINUED)	31 March 2025 $	31 March 2024 $

Note 5F: Investment property (continued)

The revalued investment properties consist of:

17 Borrila Court Jingli NT	$ 680,000
1717/43 Knuckey Street Darwin NT	$ 365,000
152 Bayswater Rd Currajong QLD	$ 470,000
Unit 15 Manor Apartments QLD	$ 360,000
Unit 20 Manor Apartments QLD	$ 360,000

The valuations were performed by the following valuers:

Investment Property	Valuer	Registration Number	Valuation Company
17 Borrila Court Jingli NT	Emma Jackson	44637	Valuations NT
1717/43 Knuckey Street Darwin NT	Emma Jackson	44637	Valuations NT
152 Bayswater Rd Currajong QLD	Clancy Miller	107205	Acumentis
Unit 15 Manor Apartments QLD	Michael Galvin	1779	Hymans Property
Unit 20 Manor Apartments QLD	Michael Galvin	1779	Hymans Property

The above valuers are accredited independent valuers with a recognised and relevant professional qualification and with recent experience in the location and category of the investment properties being valued.

The fair value of completed investment properties has been determined on a market value basis in accordance with International Valuation Standards (IVS), as set out by the International Valuation Standards Council (IVSC).

The highest and best use of the investment properties is not considered to be different from its current use.

The valuation method used to value the above investment properties is considered to be the Direct Comparison approach, whereby the subject property is compared to recent sales of similar properties within the surrounding vicinity.

The fair value of investment property is included within Level 2 at Note 13.

NOTE 8 RELATED PARTY DISCLOSURES (CONTINUED)	31 March 2025 $	31 March 2024 $
Note 8A: Related Party Transactions for the Reporting Period (continued)		
Amounts owed by includes the following:		
CFMEU C&G National Office	-	8,362
CFMEU National Office	-	1,382
Amounts owed to includes the following:		
CFMEU C&G QNTDB	421,160	228,360
CFMEU C&G National Office	1,306,649	136,882
Loan payable to CFMEU C&G QNTDB:	9,950,000	5,500,000
Loan payable to CFMEU C&G National Office	3,095,000	-
Receivable from AS400 Modernisation Project held with CFMEU C&G National Office	766,144	1,297,575

Terms and conditions of transactions with related parties

Related party transactions occur between the Union and the Construction, Forestry and Maritime Employees Union Construction and General Division Queensland Northern Territory Divisional Branch (CFMEU C&G QNTDB).

The sales to and purchases from related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances for sales and purchases at the year end are unsecured and interest free and settlement occurs in cash. There have been no guarantees provided or received for any related party receivables or payables. For the year ended 31 March 2025, the union has not recorded any impairment of receivables relating to amounts owed by related parties and declared person or body (2024: $Nil). This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates. The loan received from CFMEU C&G QNTDB does not incur interest and is expected to be repaid within 5 years. The loan received from CFMEU C&G National Office is $3,000,000 for 12 months which incurs interest of 6% per annum. The loan and interest is payable on 20th September 2025, with interest of $95,000 incurred to 31 March 2025.

Related party transactions also occur between the Union and other reporting units including the National Office of the Construction & General Division (CFMEU C&G National Office). Related Party disclosures in the financial report are presented on an accrual basis. Whilst the financial records of the Union have been kept, as far as practicable, in a manner consistent with each other reporting units of the organisation, the balances and transactions reported in this financial report may differ to those recorded in the financial report of the counterparty reporting unit. This may arise due to timing difference in the respective recordkeeping of the related reporting units, for example, in the receipt of payments, correspondence in transit or the alternative categorisation of balances/transactions.

From time-to-time, the National Office of the Construction & General Division of the CFMEU (CFMEU C&G National Office) coordinates various administrative activities on behalf of the Union. This includes the collation of certain costs, which are apportioned to the appropriate branches and invoiced in full. Accordingly, with the National Office merely being the facilitator of such transactions between the Union and independent third parties (and there is no profit component in recharging these costs), these are not considered to be related party expenditures of the Union and hence are not required to be disclosed.

NOTE 8 RELATED PARTY DISCLOSURES (CONTINUED)

Note 8A: Related Party Transactions for the Reporting Period (continued)

Notwithstanding this, the transfer of funds to meet these obligations remain related party transactions, and accordingly have been disclosed in the related party cash flows reported at Note 7B. Additionally, any amounts outstanding as at balance date between related parties have been disclosed above.

Note 8B: Key Management Personnel Remuneration for the Reporting Period

Key management personnel comprise those individuals who have the authority and responsibility for planning, directing and controlling the activities of the Union. The Union has determined that key management personnel comprises of:

- Michael Ravbar (Former State Secretary – removed on 23/8/2024)
- Royce Kupsch (Former Honorary State President – removed on 23/8/2024
- Jade Ingham (Former Assistant State Secretary – removed on 23/8/2024)
- Kane Lowth (Former Assistant State Secretary – removed on 23/8/2024)
- Travis O'Brien (Executive Officer – commenced 02/09/24 and resigned 03/02/2025)
- Jared Luke Abbott (Executive Officer – commenced 03/03/2025)

During the year, the key management personnel of the Union were remunerated as follows:

	31 March 2025 $	31 March 2024 $
Short-term employee benefits		
Salary (including annual leave taken)	437,611	629,567
Annual leave accrued	(47,032)	276
Performance bonus	-	-
Other employee benefits	2,535	4,822
Total short-term employee benefits	393,114	634,665
Post-employment benefits:		
Superannuation	49,374	70,408
Redundancy fund	12,062	21,032
Total post-employment benefits	61,436	91,440
Other long-term benefits:		
Long-service leave	-	19,825
Total other long-term benefits	-	19,825
Termination benefits		
Total	454,550	745,930

No other transactions occurred during the year with elected officers, close family members or other related parties than those related to their membership or employment and on terms no more favourable than those applicable to any other member or employee.

NOTE 9 LEASES

The Union as a lessee

The Union has a lease over real property.

Information relating to the lease in place for real property and associated balances and transactions are provided below.

	31 March 2025 $	31 March 2024 $
Right-of-use assets		
Balance at beginning of the year	-	7,426
Additions to right-of-use assets	-	-

Lease liabilities	-	-	-	-	-
2024					
Lease liabilities	-	-	-	-	-

Statement of Profit or Loss and Other Comprehensive Income

The amounts recognised in the statement of profit or loss and other comprehensive income relating to leases where the Union is a lessee are shown below:

	31 March 2025 $	31 March 2024 $
Interest expense	-	25
Depreciation of right-of-use assets	-	7,426
	-	7,451

Statement of Cash Flows

Total cash outflow for leases	-	11,230

NOTE 10 CONTINGENT LIABILITIES, ASSETS AND COMMITMENTS

(a) Operating lease commitments

Leases as lessor

The Union leases out a portion of its business premises held under operating lease. The leases run for a period ranging between 3 to 5 years. The future minimum receivable payments under non-cancellable operating leases are as follows:

	31 March 2025 $	31 March 2024 $
Receivable – minimum lease commitments		
- not later than 12 months	301,671	75,077
- between 12 months and 5 years	72,153	150,504
- greater than 5 years	-	-
Minimum lease payments	373,824	225,581

(b) Contingent liabilities and commitments

The Administrator is not aware of any contingent assets or liabilities that are likely to have a material effect on the results of the Union.

(c) Finance lease commitments

The Union does not have any finance lease commitments.

(d) Capital expenditure commitments

The Union does not have any capital expenditure commitments following the determination from the Administrator to discontinue the AS400 project.

NOTE 11 REMUNERATION OF AUDITORS

	31 March 2025 $	31 March 2024 $
Value of the services provided		
Financial statement audit services	31,510	30,072
Other services	-	-
Total remuneration of auditors	31,510	30,072

No other services were provided by the auditors of the financial statements.

NOTE 12 FINANCIAL INSTRUMENTS

Financial Risk Management Policy

The Administrator monitors the Union's financial risk management policies and exposure and approves financial transactions entered into. It also reviews the effectiveness of internal controls relating to the counterparty credit risk, liquidity risk, market risk and interest rate risk. The Administration meets on a monthly basis to review the financial exposure of the Union.

Note 12A: Credit Risk

Exposure to credit risk relating to financial assets arises from the potential non-performance by counterparties of contract obligations that could lead to a financial loss of the Union. The Union does not have any material credit risk exposures as its major source of revenue is the receipt of rental income.

The maximum exposures to credit risk by class of recognised financial assets at the end of the reporting period is equivalent to the carrying value and classification of those financial assets (net of provisions) as presented in the statement of financial position.

The Union has no significant concentration of credit risk with respect to any single counterparty or group of counterparties. The class of assets described as Trade and Other Receivables is considered to be the main source of credit risk related to the Union.

On a geographical basis, the Union's trade and other receivables are all based in Australia.

The Union applies the simplified approach to providing for expected credit losses prescribed by AASB 9, which permits the use of the lifetime expected loss provision for all accounts receivable. To measure the expected credit losses, accounts receivable have been grouped based on shared credit risk characteristics and the days past due. The loss allowance provision as at 31 March 2025 is determined as follows. The expected credit losses below also incorporate forward looking information.

NOTE 12 FINANCIAL INSTRUMENTS (CONTINUED)

Note 12A: Credit Risk (Continued)

The balance of receivables that remain within initial trade terms (as detailed in the table) are considered to be of high credit quality.

Ageing of financial assets that were past due but not impaired for 2025

	0 to 30 days	31 to 60 days	61 to 90 days	90+ days	Total
	$	$	$	$	$
Expected loss rate	89.3%	0%	0%	0%	89.3%
Gross Carrying amount	1,489,874	-	-	-	1,489,874
Loss allowing provision	1,330,667	-	-	-	1,330,667

Ageing of financial assets that were past due but not impaired for 2024

	0 to 30 days	31 to 60 days	61 to 90 days	90+ days	Total
	$	$	$	$	$
Expected loss rate	95.5%	0%	0%	0%	95.5%
Gross Carrying amount	984,478	-	-	-	984,478
Loss allowing provision	939,813	-	-	-	939,813

The Union has no significant concentration of credit risk with respect to any single counterparty or group of counterparties other than those receivables specifically provided for and mentioned within Note 5. The main source of credit risk to the entity is considered to relate to the class of assets described as "accounts receivable and other debtors".

The Union always measures the loss allowance for accounts receivables at an amount equal to lifetime expected credit loss. The expected credit losses on accounts receivable are estimated using a provision matrix by reference to past default experience of the debtor and an analysis of the debtor's current financial position, adjusted for factors that are specific to the debtors, general economic conditions of the industry in which the debtors operate and an assessment of both the current as well as the forecast direction of conditions at the reporting date.

There has been no change in the estimation techniques or significant assumptions made during the current reporting period.

The Union writes off an account receivable when there is information indicating that the debtor is in severe financial difficulty and there is no realistic prospect of recovery (eg when the debtor has been placed under liquidation or has entered into bankruptcy proceedings) or when the trade receivables are over two years past due, whichever occurs earlier. None of the accounts receivable that have been written off are subject to enforcement activities.

Collateral held as security

The Union does not hold collateral with respect to its receivables at 31 March 2025 (31 March 2024: Nil).

NOTE 12 FINANCIAL INSTRUMENTS (CONTINUED)

Note 12B: Liquidity Risk

Liquidity risk arises from the possibility that the Union might encounter difficulty in settling its debts or otherwise meeting its obligations in relation to financial liabilities. The Union manages this risk through the following mechanisms:

- preparing forward looking cash flow estimates;
- maintaining a reputable credit profile;
- managing credit risk related to financial assets;
- only investing surplus cash with major financial institutions; and
- comparing the maturity profile of financial liabilities with the realisation profile of financial assets.

The tables below reflect an undiscounted contractual maturity analysis for non-derivative financial liabilities. The Union does not hold directly any derivative financial liabilities.

Cash flows realised from financial assets reflect management's expectation as to the timing of realisation. Actual timing may therefore differ from that disclosed. The timing of cash flows presented in the table to settle financial liabilities reflects the earliest contractual settlement dates

Financial Instrument Composition and Maturity Analysis

	Within 1 Year		1 to 5 Years		Over 5 Years		Total	
	2025	2024	2025	2024	2025	2024	2025	2024

Net (outflow) / inflow on financial instruments	(3,224,640)	2,594,896	(9,950,000)	(5,500,000)		-	(13,174,640)	(2,905,104)

NOTE 12 FINANCIAL INSTRUMENTS (CONTINUED)

Note 12C: Market Risk

i. Interest rate risk
Exposure to interest rate risk arises on financial assets and financial liabilities recognised at the end of the reporting period whereby a future change in interest rates will affect future cash flows or the fair value of fixed rate financial instruments. The Union's exposure to interest rate risk arises from its cash at bank, term deposits and floating rate instruments.

The financial instruments which expose the Union to interest rate risk are limited to its cash reserves.

ii. Foreign exchange risk
The Union is not exposed to fluctuations in foreign currencies.

iii. Price risk
The Union is exposed to equity securities price risk.

Sensitivity Analysis

While the Union is exposed to changes in interest rates, due to the fact that any expected change in interest rates would have no significant impact on profit and loss or equity, no sensitivity analysis has been considered necessary.

No sensitivity analysis has been performed on foreign exchange risk, as the Union is not exposed to foreign currency fluctuations.

NOTE 13 FAIR VALUE MEASUREMENT

Fair Values

Fair value estimation

The fair values of financial assets and liabilities are presented in the following table and can be compared to their carrying values as presented in the statement of financial position. Fair value is the amount at which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties at an arm's length transaction.

Fair value may be based on information that is estimated or subject to judgement, where changes in assumptions may have a material impact on the amounts estimated. Areas of judgement and the assumptions have been detailed below. Where possible, valuation information used to calculate fair values is extracted from the market, with more reliable information available from markets that are actively traded.

In this regard, fair values for listed securities are obtained from quoted market bid prices. Where securities are unlisted and no market quotes are available, fair value is obtained using discounted cash flow analysis and other valuation techniques commonly used by market participants.

Differences between fair values and carrying amounts of financial instruments with fixed interest rates are due to the change in discount rates being applied by the market since their initial recognition by the Union. Most of these instruments, which are carried at amortised cost (i.e. accounts receivable), are to be held until maturity and therefore the fair value figures calculated bear little relevance to the Union.

NOTE 13 FAIR VALUE MEASUREMENT (CONTINUED)

The following table contains the carrying amounts and related fair values for the Union's financial assets and liabilities:

		31 March 2025		31 March 2024	
	Footnote	Carrying value	Fair value	Carrying value	Fair value
		$	$	$	$
Financial assets					
Cash and cash equivalents	(i)	2,039,030	2,039,030	3,586,320	3,586,320
Accounts receivable and other debtors	(i)	159,179	159,179	44,665	44,665
Financial assets		-	-	-	-
Total financial assets		2,198,209	2,198,209	3,630,985	3,630,985
Financial liabilities					
Accounts payable and other payables	(i)	2,327,849	2,327,849	1,036,089	1,036,089
Loan – CFMEU C&G National Office		3,095,000	3,095,000	-	-
Loan – CFMEU QNTDB		9,950,000	9,950,000	5,500,000	5,500,000
Total financial liabilities		15,372,849	15,372,849	6,536,089	6,536,089

The fair values disclosed in the above table have been determined based on the following methodologies:

(i) Cash and cash equivalents, accounts receivable and other debtors and accounts payable and other payables are short-term instruments in nature whose carrying value is equivalent to fair value. Trade and other payables exclude amounts provided for annual leave, which is outside the scope of AASB 9.

NOTE 13 FAIR VALUE MEASUREMENT (CONTINUED)

Fair Value Hierarchy

AASB 13: Fair Value Measurement requires the disclosure of fair value information by level of the fair value hierarchy, which categorises fair value measurement into one of the three possible levels based on the lowest level that an input that is significant to the measurement can be categorised into as follows:

Level 1

Measurements based on quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2

Measurements based on inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3

Measurements based on unobservable inputs for the asset or liability.

The fair values of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market date. If all significant inputs required to measure fair value are observable, the asset or liability is included in Level 2. If one or more significant inputs are not based on observable market data, the asset or liability is included in Level 3.

31 March 2025	Level 1	Level 2	Level 3	Total
Assets	$	$	$	$
Investment property	-	27,684,947	-	27,684,947
Land and buildings	-	17,039,631	-	17,039,631
31 March 2024				
Assets				
Investment property	-	18,442,483	-	18,442,483
Land and buildings	-	16,251,203	-	16,251,203

NOTE 14 DISCLOSURE OF OFFICERS' REMUNERATION AND NON-CASH BENEFITS

The highest paid officers of the Union for the disclosure period ended 31 March 2025 and the amounts of the relevant remuneration paid to them and the value or form of non-cash benefit received by them are set out below.

(a) the highest paid officers of the Union for the financial year, and their remuneration, were as follows:

	Michael Ravbar State Branch Secretary (former)	Jade Ingham Assistant State Branch Secretary (former)	Kane Lowth Assistant State Branch Secretary (former)	Travis O'Brien Executive Officer (former)	Jared Abbott Executive Officer	Total
	$	$	$	$		$
Salary and allowance	94,363	80,909	82,717	163,083	16,539	437,611
Movement in annual and long service leave provisions	(39,527)	(10,126)	(6,037)	5,693	2,965	(47,032)
Superannuation	10,650	9,196	9,196	17,873	2,459	49,374
Redundancy	2,935	2,935	2,935	3,257	-	12,062
Other employee benefits	634	634	634	633	-	2,535
	69,055	83,548	89,445	190,539	21,963	454,550

The non-cash benefit provided to the officers of the Union are motor vehicles which are owned by the Union. The motor vehicles are primarily used for work related purposes but may be used for personal use during non-working hours.

(b) Superannuation has been received by the following officers of the Union from a board position attained because of their position with the Union:

Michael Ravbar	State Branch Secretary (former)	$10,605
Jade Ingham	Assistant State Branch Secretary (former)	$4,256
Kane Lowth	Assistant State Branch Secretary (former)	$1,514
Travis O'Brien	Executive Officer (former)	$nil
Jared Abbott	Executive Officer	$nil

No other remuneration or non-cash benefits had been received by Officers of the Union from a board position attained because of their position with the Union.

The above remuneration register of the Union has been disclosed as described under s. 764 (2) (e) of *Industrial Relations Act 2016.*

The Union has made no reportable payments to any related party or declared person or body of the Union in the year ended 31 March 2025.

NOTE 15 SECTION 787 INDUSTRIAL RELATIONS ACT 2016

In accordance with the requirements of the *Industrial Relations Act 2016*, the attention of members is drawn to the provisions of subsections (1) to (3) of section 787, which reads as follows:

Information to be provided to members or registrar:

(1) A member of a reporting unit, or the registrar, may apply to the reporting unit for stated information, prescribed by regulation, about the reporting unit to be made available to the person making the application.

(2) The application must be in writing and state the period, which must be at least 14 days after the application is made, within which the information must be made available and state the way in which the information must be made available.

(3) The reporting unit's organization must ensure the reporting unit complies with the application.

NOTE 16 ADMINISTRATION OF FINANCIAL AFFAIRS BY A THIRD PARTY

On 24 August 2024, the Union was put into administration by the Queensland Government under the *Industrial Relations Act (CFMEUQ Construction and General Division Administration) Administration Notice 2024*. The appointed Administrator has delegated this authority to the Executive Officer of the Union.

NOTE 17 UNION DETAILS

The registered office of the Union is:

16 Campbell Street
Bowen Hills QLD 4006

NOTE 18 SEGMENT INFORMATION

The Union operates solely in one reporting segment, being the provision of industrial services in Queensland.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CONSTRUCTION, FORESTRY, MINING & ENERGY, INDUSTRIAL UNION OF EMPLOYEES, QUEENSLAND STATE CONSTRUCTION & GENERAL DIVISION

Opinion

We have audited the accompanying financial report of Construction, Forestry, Mining & Energy, Industrial Union of Employees, Queensland State Construction & General Division ("the Union"), which comprises the statement of financial position as at Monday, 31 March 2025, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy and other explanatory information, and the Administrator's Statement.

The audit report has been prepared based on the requirements of section 768 of the *Industrial Relations Act 2016 (Qld).*

In our opinion the financial report of the Construction, Forestry, Mining & Energy, Industrial Union of Employees, Queensland State Construction & General Division:

a) presents fairly in all material respects, the Union's financial position as at 31 March 2025 and its performance and cash flows for the year then ended; and

b) complies with Tier 1 reporting requirements under Australian Accounting Standards, the *Industrial Relations Act 2016 (Qld)* and the Reporting Guidelines for the purposes of section 765.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Company in accordance with the auditor independence requirements and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

PKF Brisbane Pty Ltd is a member of PKF Global, the network of member firms of PKF International Limited, each of which is a separately owned legal entity and does not accept any responsibility or liability for the actions or inactions of any individual member or correspondent firm(s). Liability limited by a scheme approved under Professional Standards Legislation.

Administrators' Responsibilities for the Financial Report

The Administrator of the Union is responsible for the preparation and fair presentation of the financial report in accordance with the Australian Accounting Standards and the *Industrial Relations Act 2016 (Qld)* and for such internal control as the Administrator of the Union determines is necessary to enable the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Administrator is responsible for assessing the Union's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Administrator either intends to liquidate the Union or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Union's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individual or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at http://www.auasb.gov.au/ Home.aspx. This description forms part of our auditor's report.

Report on Other Regulatory Requirements

a) In our opinion, the Administrator's use of the going concern basis of accounting in the preparation of the financial report is appropriate.

b) I am an approved auditor as defined by s.595 of the *Industrial Relations Act 2016 (Qld)* being a member of the Institute of Chartered Accountants in Australia & New Zealand who holds a current Public Practice Certificate.

Total payments			-		-
Cash assets in respect of recovered money at the end of the year			-		-
Amounts recovered but not yet paid to workers			-		-

The accompanying notes form part of these financial statements.

Note 1: Information to be provided to members

In accordance with the requirements of the *Fair Work (Registered Organisations) Act 2009*, the attention of members is drawn to the provisions of section 272 which reads as follows:

(1) A member of a reporting unit, or the General Manager of Fair Work Australia, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.

(2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.

(3) A reporting unit must comply with an application made under subsection (1).

Note 2: Summary of significant accounting policies

The financial statements cover the Construction, Forestry, Mining and Energy Union, Construction and General Division, Queensland Northern Territory Divisional Branch as an individual reporting unit.

Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that apply for the reporting period and the *Fair Work (Registered Organisations) Act 2009*. The financial statements also comply with Tier 1 reporting requirement under AASB 1053 - *Application of Tiers of Australian Accounting Standards.*

For the purpose of preparing the general purpose financial statements, the Union is a not-for-profit entity.

The financial statements, except for the cash flow information, have been prepared on an accruals basis. The financial statements have been prepared in accordance with historical cost, except for certain assets and liabilities measured at fair value, as explained in the accounting policies below. Historical cost is generally based on the fair values of the consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices in the results or the financial position. The financial statements are presented in Australian dollars.

The following significant accounting policies have been adopted in the preparation of the financial statements. The accounting policies are consistent with the previous period, unless otherwise stated.

Accounting Policies

(a) Income tax

No provision for income tax is necessary as trade unions are exempt from income tax under Section 50-15 of the *Income Tax Assessment Act 1997*.

Note 2: Summary of significant accounting policies (contd)

(b) Revenue

Revenue is measured at the fair value of the consideration received or receivable. Revenue from subscriptions is accounted for on an accruals basis and is recorded as revenue in the year to which it relates.

Receivables for goods and services or reimbursement of expenditure on behalf of another party have 30 day terms and are recognised at the nominal amounts due less any impairment allowance amount. Collectability of debts is reviewed at the end of the reporting period. Allowances are made when collectability of debt is no longer probable.

Grant revenue

Grants are recognised in profit or loss over the periods in which the Union recognises as expenses the related costs for which the grants are intended to compensate. Grants received in advance of the expenditure for which they are intended are recognised in the balance sheet as revenue in advance.

(c) Property, Plant and Equipment

Property, plant and equipment are carried at cost or fair value less, where applicable, any accumulated depreciation and impairment losses.

Plant and equipment

Plant and equipment are measured on the cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by the Union's management to ensure it is not in excess of the recoverable amount from those assets.

Depreciation and amortisation

The depreciable amount of all fixed assets are depreciated on a straight line basis over the useful lives of the assets to the Union commencing from the time the asset is held ready for use. Motor vehicles are depreciated on a diminishing value basis.

The depreciation rates used for each class of depreciable asset are:

Fixed asset	*Rate*
Motor vehicles	25%
Plant & Equipment	10-33.3%

(d) Leases

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the Union, are classified as finance leases. Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased asset or the present value of the minimum lease payments, including any guaranteed residual values.

Leased assets are depreciated on a straight line basis over their estimated useful lives where it is likely that the Union will obtain ownership of the asset or over the term of the lease. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

Note 2: Summary of significant accounting policies (contd)

(e) Financial Instruments

Initial recognition and measurement

Financial instruments are initially measured at fair value on trade date, which includes transaction costs, when related contractual rights or obligations exist. Subsequent to initial recognition these instruments are classified at the time of initial recognition and then measured as set out below.

Classification and subsequent measurement:

Financial Assets at fair value

A financial asset is classified in this category if acquired principally for the purpose of selling in the short term or is so designated by management and within the requirements of *AASB139: Recognition and Measurement of Financial Instruments*. Realised and unrealised gains and losses arising from changes in the fair value of these assets are included in the income statement in the period in which they arise.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are stated at amortised cost using the effective interest rate method.

Held to maturity investments

These investments have fixed maturities, and it is the Union's intention to hold these investments to maturity. Any held to maturity investments held by the Union are stated at amortised cost using the effective interest rate method.

Available for sale financial assets

Available for sale financial assets include any financial assets not included in the above categories. Available for sale financial assets are reflected at fair value. Unrealised gains and losses arising from changes in fair value other than impairment losses are recognised as other comprehensive income and transferred to reserves in equity. When the financial asset is derecognised, the cumulative gain or loss previously recognised is reclassified into profit or loss.

Financial liabilities

Non-derivative financial liabilities are recognised at fair value, net of transaction costs, and subsequently measured at amortised cost, comprising original debt less principal repayments and amortisation.

Impairment

At each reporting date, the Union assesses whether there is objective evidence that a financial instrument has been impaired. Impairment losses are recognised in the income statement.

(f) Impairment of Assets

At each reporting date, the Union reviews the carrying values of its assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and its depreciated replacement value, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

Note 2: Summary of significant accounting policies (contd)

(f) Impairment of Assets (contd)

For certain categories of financial asset, such as trade receivables, assets that are assessed not to be impaired individually are, in addition, assessed for impairment on a collective basis. Objective evidence of impairment for a portfolio of receivables includes the reporting unit's past experience of collecting payments, an increase in the number of delayed payments in the porfolio past the average credit period, as well as observable changes in national or local economic conditions that correlate with default on receivables.

The carrying amount of the financial asset is reduced by the impairment loss directly for all financial assets with the exception of trade receivables, where the carrying amount is reduced through the use of an allowance account. When a trades receivable is considered uncollectable, it is written off against the allowance account. Changes in the carrying amount of the allowance account are recognised in profit or loss.

(g) Fair value measurement

The Union measures financial instruments, such as, financial asset as at fair value through the profit and loss, available for sale financial assets, at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability; or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Union. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their

The Union uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable;
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Union determines whether transfers have occurred between Levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

Note 2: Summary of significant accounting policies (contd)

(h) Employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave, long service leave and termination benefits when it is probable that settlement will be required and they are capable of being measured reliably.

Liabilities for short-term employee benefits (as defined in AASB 119 *Employee Benefits*) and termination benefits which are expected to be settled within twelve months of the end of reporting period are measured at their nominal amounts. The nominal amount is calculated with regard to the rates expected to be paid on settlement of the liability.

Other long-term employee benefits which are expected to be settled beyond twelve months are measured as the present value of the estimated future cash outflows to be made by the reporting unit in respect of services provided by employees up to reporting date.

No provision is made for separation and redundancy benefit payments.

(i) Provisions

Provisions are recognised when the Union has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

(j) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the balance sheet.

(k) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the Balance Sheet are shown inclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

(l) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

(m) Key accounting estimates and judgements

The Union evaluates estimates and judgements incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data.

Key estimates - Impairment

The Union assesses impairment at each reporting date by evaluating conditions specific to the Union that may lead to impairment of assets. Where an impairment trigger exists, the recoverable amount of the asset is determined.

Note 2: Summary of significant accounting policies (contd)

(n) Retained Earnings - Compulsory Levy Defence Fund

The Defence Fund is being maintained to provide the additional resources needed to defend our members against continuing attacks from employers and Federal Government agencies.

(o) Accounting Standards Adopted during the Current Financial Year

The Union adopted all new Australian Accounting Standards that became mandatory for reporting periods beginning on 1 January 2015. No new accounting standards adopted had any material impact on this financial report.

(p) New Accounting Standards for Application in Future Periods

Accounting Standards issued by the AASB that are not yet mandatorily applicable to the Union, together with an assessment of the potential impact of such pronouncements on the Union when adopted in future periods, are discussed below:

- AASB 9*: Financial Instruments* and associated Amending Standards (applicable to annual reporting periods beginning on or after 1 January 2018).

  The Standard will be applicable retrospectively (subject to the provisions on hedge accounting outlined below) and includes revised requirements for the classification and measurement of financial instruments, revised recognition and derecognition requirements for financial instruments and simplified requirements for hedge accounting.

  The key changes that may affect the Union on initial application include certain simplifications to the classification of financial assets, simplifications to the accounting of embedded derivatives, upfront accounting for expected credit loss, and the irrevocable election to recognise gains and losses on investments in equity instruments that are not held for trading in other comprehensive income. AASB 9 also introduces a new model for hedge accounting that will allow greater flexibility in the ability to hedge risk, particularly with respect to hedges of non-financial items. Should the entity elect to change its hedge policies in line with the new hedge accounting requirements of the Standard, the application of such accounting would be largely prospective.

  The adoption of AASB 9 is not expected to have a significant impact on the Union's financial instruments.

- AASB 15: *Revenue from Contracts with Customers* (applicable to annual reporting periods beginning on or after 1 January 2018, as deferred by AASB 2015-8: *Amendments to Australian Accounting Standards – Effective Date of AASB 15*).

  When effective, this Standard will replace the current accounting requirements applicable to revenue with a single, principles-based model. Except for a limited number of exceptions, including leases, the new revenue model in AASB 15 will apply to all contracts with customers as well as non-monetary exchanges between entities in the same line of business to facilitate sales to customers and potential customers.

Note 2: Summary of significant accounting policies (contd)

(p) New Accounting Standards for Application in Future Periods (contd)

When effective, this Standard will replace the current accounting requirements applicable to revenue with a single, principles-based model. Except for a limited number of exceptions, including leases, the new revenue model in AASB 15 will apply to all contracts with customers as well as non-monetary exchanges between entities in the same line of business to facilitate sales to customers and potential customers.

The core principle of the Standard is that an entity will recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for the goods or services. To achieve this objective, AASB 15 provides the following five-step process:

- identify the contract(s) with a customer;
- identify the performance obligations in the contract(s);
- determine the transaction price;
- allocate the transaction price to the performance obligations in the contract(s); and
- recognise revenue when (or as) the performance obligations are satisfied.

The transitional provisions of this Standard permit an entity to either: restate the contracts that existed in each prior period presented per AASB 108: *Accounting Policies, Changes in Accounting Estimates and Errors* (subject to certain practical expedients in AASB 15); or recognise the cumulative effect of retrospective application to incomplete contracts on the date of initial application. There are also enhanced

Although the Committee anticipate that the adoption of AASB 15 may have an impact on the Union's financial statements, it is impracticable at this stage to provide a reasonable estimate of such impact.

- AASB 16: *Leases* (applicable to annual reporting periods beginning on or after 1 January 2019).

When effective, this Standard will replace the current accounting requirements applicable to leases in AASB 117: *Leases* and related Interpretations. AASB 16 introduces a single lessee accounting model that eliminates the requirement for leases to be classified as operating or finance leases.

The main changes introduced by the new Standard include:

- recognition of a right-to-use asset and liability for all leases (excluding short-term leases with less than 12 months of tenure and leases relating to low-value assets);
- depreciation of right-to-use assets in line with AASB 116: *Property, Plant and Equipment* in profit or loss and unwinding of the liability in principal and interest
- variable lease payments that depend on an index or a rate are included in the initial measurement of the lease liability using the index or rate at the commencement
- by applying a practical expedient, a lessee is permitted to elect not to separate non-lease components and instead account for all components as a lease; and
- additional disclosure requirements.

Note 2: Summary of significant accounting policies (contd)

(p) New Accounting Standards for Application in Future Periods (contd)

The transitional provisions of AASB 16 allow a lessee to either retrospectively apply the Standard to comparatives in line with AASB 108 or recognise the cumulative effect of retrospective application as an adjustment to opening equity on the date of initial

Although the Committee anticipate that the adoption of AASB 16 will impact the Union's financial statements, it is impracticable at this stage to provide a reasonable estimate of such impact

	457,657	4,092,302

(b) There were no non-cash financing or investment activities during the year.

(c) The union has no credit stand-by arrangement or loan facilities.

Note 20: Capital and Lease Commitments

	2015 $	2014 $
Future minimum rentals payable under non-cancellable operating leases as at 31 December are as follows:		
Within one year	2,167	22,279
After one year but not more than five years	-	2,167
More than five years	-	-
Total operating lease commitment	2,167	24,446

The above leases are rental in nature and the average lease term across leases is 5 years.

As at 31 December 2015 the Union did not have any capital expenditure commitments.

Note 21: Contingent Liabilities

There are continually numerous ongoing unsettled legal actions against the Union regarding industrial relations matters.

If at year end, a judgement has been awarded against the union or a matter has been settled and the amount is unpaid, the Union accrues an expense for estimated costs and penalties in relation to the matter.

No provision is made for any settlement costs or penalties for ongoing unresolved matters as the Union intends to defend the claims.

Note 22: Events after the Reporting date

The Union is not aware of any significant events since the end of the reporting period.

Note 23: Related Party Disclosures

	2015 $	2014 $
(a) Related Party Transactions for the Reporting Period		
The following table provides the total amount of transactions that have been entered into with related parties for the relevant year.		
Revenue received from CFMEUQ:	-	-
Expenses paid to CFMEUQ:		
Rent	644,216	628,384
Amounts owed by CFMEUQ:	3,202,137	10,286,239
Amounts owed to CFMEUQ:	-	-
Loans to CFMEUQ:	-	-
Assets transferred from CFMEUQ includes the following:		
2014 Amalgamation with BLF - Net liabilities	-	2,556,878

Note 23: Related Party Disclosures (contd)

Terms and conditions of transactions with related parties

The sales to and purchases from related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances for sales and purchases at the yearend are unsecured and interest free and settlement occurs in cash. There have been no guarantees provided or received for any related party receivables or payables. For the year ended 31 December 2015, the CFMEU QNTDB has not recorded any impairment of receivables relating to amounts owed by related parties and declared person or body (2014: $Nil). This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates.

The loan provided to CFMEUQ receives a rate of interest of Nil% and is expected to be repaid within 5 years.

(b) Key management personnel remuneration for the reporting period:

	2015	2014
	$	$
Short term employee benefits		
Salary (including annual leave taken)	796,371	727,698
Annual leave accrued	(10,060)	-
Performance bonus	-	
Other employee benefits	6,026	4,397
	792,337	732,095
Post employment benefits		
Superannuation	160,228	113,910
Redundancy fund	11,400	11,361
	171,628	125,271
Other long term benefits		
Long service leave	(2,298)	131,521
	(2,298)	131,521
Termination benefits	-	-
Total	961,667	988,887

Note 24: Financial Risk Management Policies

The Committee of Management monitors the Union's financial risk management policies and exposures and approves financial transactions within the scope of these policies.

The Committee of Management's overall risk management strategy seeks to assist the Union in meeting its financial targets, while minimising potential adverse effects on financial performance. Its functions include the review of the use of credit risk policies and future cash

Note 24: Financial Risk Management (contd)

Specific Financial Risk Exposures and Management

The main risks the Union is exposed to through its financial instruments are credit risk, liquidity risk, and market risk consisting predominantly interest rate risk. There have been no substantive changes in the types of risks the Union is exposed to, how these risks arise, or the Committee's objectives, policies and processes for managing or measuring the risks from the previous period.

The Union's financial instruments are listed below.

	2015 $	2014 $
Financial assets		
Cash and bank	9,748,742	2,721,357
Receivables	668,516	746,954
	10,417,258	3,468,311
Financial liabilities		
Trade and Other Payables	3,666,573	4,440,349
	3,666,573	4,440,349

(a) Credit Risk

Credit risk refers to risk that a counterparty will default on its contractual obligations resulting in a financial loss to the Union.

Credit risk arises from cash and cash equivalents and deposits with banks and financial institutions, as well as exposure to wholesale and retail customers, including outstanding receivables and committed transactions.

The Union has adopted a policy of only dealing with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults.

Management considers that all the financial assets that are not impaired for each of the reporting dates under review are of good quality, including those that are past due.

The credit risk for liquid funds, and other short-term financial assets is considered negligible, since the counterparties are reputable banks with high quality external credit

The following table details the Union's trade and other receivables exposure to credit risk (prior to collateral and other credit enhancements) with ageing analysis and impairment provided for thereon. Amounts are considered as "past due" when the debt has not been settled, within the terms and conditions agreed between the Union and the customer or counter party to the transaction. Receivables that are past due are assessed for impairment by ascertaining solvency of the debtors and are provided for where there is objective evidence indicating that the debt may not be fully repaid to the Union.

The balances of receivables that remain with initial trade terms (as detailed in the table) are considered to be of high credit quality.

The Union does not hold any financial assets with terms that have been renegotiated, but which would otherwise be past due or impaired.

Note 24: Financial Risk Management (contd)

The other classes of receivables do not contain impaired assets.

	Gross Amount	Past Due and impaired	Past due but not <30	31-60
	$	$	$	$
2015				
Membership dues	357,731	357,731	-	-
Monies owing by CFMEUQ	3,202,137	-	-	-
Other receivables	310,785	-	310,785	-
	3,870,653	357,731	310,785	-
2014				
Membership dues	445,278	445,278	-	-
Monies owing by CFMEUQ	10,286,239	-	-	-
Other receivables	301,676	-	301,676	-
	11,033,193	445,278	301,676	-

The balances of receivables that remain with initial trade terms (as detailed in the table) are considered to be of high credit quality.

The Union does not hold any financial assets with terms that have been renegotiated, but which would otherwise be past due or impaired.

The other classes of receivables do not contain impaired assets.

(b) Liquidity Risk

Liquidity risk arises from the possibility that the Union might encounter difficulty in settling its debts or otherwise meeting its obligations related to financial liabilities. The Union manages this risk through the following mechanisms:

- preparing forward-looking cash flow analyses in relation to its operating, investing and financing activities;
- maintaining a reputable credit profile;
- managing credit risk related to financial assets;
- only investing surplus cash with major financial institutions; and
- comparing the maturity profile of financial liabilities with the realisation profile of financial

(c) Market Risk

(i) Interest rate risk

Exposure to interest rate risk arises on financial assets and financial liabilities recognised at the end of the reporting period whereby a future change in interest rates will affect future cash flows or the fair value of fixed rate financial instruments. The Union is also exposed to earnings volatility on floating rate instruments.

The financial instruments that primarily expose the Union to interest rate risk are fixed interest securities, and cash and cash equivalents.

Note 24: Financial Risk Management (contd)

Sensitivity analysis

While the Union is exposed to changes in interest rates, due to the fact that any expected change in interest rates would have no significant impact on profit and loss or equity, no sensitivity analysis has been considered necessary.

Net Fair Values

(i) For listed available-for sale financial assets and financial assets at fair value through profit or loss the fair values have been based on closing quoted bid prices at the end of the reporting period.

In determining the fair values of the unlisted available-for-sale financial assets, the union uses inputs that are observable either directly (as prices) or indirectly (derived from prices).

(ii) Fair values of held-to-maturity investments are based on quoted market prices at the end of the reporting period.

Note 25: Acquisition of assets/liabilities from an amalgamation/restructure

On 1 May 2014 (prior year), the Construction, Forestry, Mining and Energy Union, Construction & General Division, Queensland Northern Territory Divisional Branch (QNTDB) was amalgamated with the Construction, Forestry, Mining and Energy Union, Queensland Builders Labourers

On 1 May 2014 (prior year), the Construction, Forestry, Mining & Energy, Industrial Union of Employees,Queensland (CFMEUQ) was amalgamated with the Australian Building Construction Employees and Builders Labourers' Federation (Queensland) Union of Employees (BLF).

Note 25: Acquisition of assets/liabilities from an amalgamation/restructure (contd)

As a consequence of the amalgamation, from 1 May 2014 the BLF was deregistered and all assets and liabilities were transferred to the CFMEUQ.

Assets and liabilities of an operational nature were transferred to the Federally registered reporting unit the Construction, Forestry, Mining & Energy, Union, Construction & General Division, Queensland Northern Territory Divisional Branch (QNTDB).

The detailed financial effect of the amalgamation was presented in the prior year financial statemen

No assets or liabilities have been acquired during the current year as part of an amalgamation, restructure, change in the organisation, or by determination or revocation by the Committee of Management.

Note 26: Administration of financial affairs by a third party

The Union's financial affairs were previously administered by the Construction, Forestry, Mining and Energy, Industrial Union of Employees, Queensland.

Under this informal arrangement membership subscriptions were collected and all affiliation fees paid on the Union's behalf with any surplus funds paid to the CFMEUQ as an administrative fee. This arrangement ceased effective 1 July 2013.

Note 27: Going Concern

The Union was in a net current liability position of $978,992 (2014: $7,416,080) as at 31 December 2015.

Given the union's net current liability position, the ability of the union to continue as a going concern, including its ability to pay its debts as and when they fall due needs to be considered.

The net current liability position was mainly due to the following:

- Significant revenue received in advance.
- The recognition of $1 million in legal costs which is payable within the next 12 months.

The continuation of the union as a going concern is dependent upon its ability to achieve the following:

- The continued support of its members;
- The continued support of the CFMEUQ; and
- The union's ability to potentially liquidate non-current assets.

It is on the basis of the union's ability to maintain the above arrangements, that the Committee of Management have prepared the financial report on a going concern basis. In the event that the above arrangements are not continued, there is uncertainty as to whether the union will continue as a going concern and, therefore, whether it will realise its assets and extinguish its liabilities in the normal course of business and at the amounts stated in the financial statements. The financial report does not include any adjustments relating to the recoverability and classification of recorded asset amounts or to the amounts and classification of liabilities that might be necessary should the union not continue as a going concern.

Note 28: Disclosures of Officers' Remuneration and Non-cash Benefits

Pursuant to Rule 24B of the Union's Rules, the Divisional Executive make the following disclosures of Officer remuneration and non-cash benefits received for the 2015 calendar year ('the disclosure period'):

(a) the two highest paid officers of the Association for the financial year, and their remuneration, were as follows:

	Michael Ravbar Divisional Branch Secretary	Royce Kupsch Divisional Branch President	Total
	$	$	$
Salary and allowances	167,617	132,461	300,078
Movement in annual and long service leave provisions	9,719	19,264	28,983
Superannuation	22,941	27,540	50,481
Redundancy	4,940	-	4,940
	205,217	179,265	384,482

In addition, these officers are each provided with a fully maintained motor vehicle (non-cash benefit).

Note 28: Disclosures of Officers' Remuneration and Non-cash Benefits (contd)

(b) Superannuation has been received by the following officers of the association from a board position attained because of their position with the Union.

Michael Ravbar	Divisional Branch Secretary	7,044
David Hanna	Divisional Branch President	6,628
Jade Ingham	Divisional Branch Assistant Secretary	2,950
		16,622

No other remuneration or non-cash benefits had been received by Officers of the Association from a board position attained because of their position with the Union.

In accordance with Rule 24D, refer to note 23 for payments made by the Union to related parties. There were no payments made to a declared person or body of the Union during the disclosure period.

Note 29: Union details

The principal place of business of the Union is:

Construction, Forestry, Mining and Energy Union, Construction and General Division,
Queensland Northern Territory Divisional Branch
16 Campbell Street, Bowen Hills Qld 4006

Construction, Forestry, Mining and Energy Union
Construction and General Division
Queensland Northern Territory Divisional Branch
Committee of Management Statement for the year ended 31 December 2015

Fair Work (Registered Organisations) Act 2009

In accordance with a resolution passed by the Committee of Management of the Construction, Forestry, Mining and Energy Union, Construction and General Division, Queensland Northern Territory Divisional Branch on 7 JUNE 2016 the Committee declares that in their opinion:

(a) The financial statements and notes comply with Australian Accounting Standards.

(b) The financial statements and notes comply with the reporting guidelines of the General Manager.

(c) The financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate.

(d) With reference to the points rasied in Note 27: Going Concern, there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable, and

(e) During the financial year to which the general purpose financial report relates and since the end of that year:
   (i) meetings of the committee of management were held in accordance with the rules of the organisation including the rules of a branch concerned; and
   (ii) the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of a branch concerned; and
   (iii) the financial records of the reporting unit have been kept and maintained in accordance with the RO Act; and
   (iv) the financial records of the reporting unit have been kept, as far as practicable, in a consistent manner to each of the other reporting units of the organisation; and
   (v) where information has been sought in any request by a member of the reporting unit or General Manager duly made under section 272 of the RO Act, that information has been provided to the member or General Manager; and
   (vi) there has been compliance with any order for inspection of financial records made by the Fair Work Commission under section 273 of the RO Act.

(f) In relation to recovery of wages activity:
   (i) No revenue has been derived from undertaking recovery of wages activity during the reporting period.

Signed on behalf of the Committee of Management by:

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF
CONSTRUCTION, FORESTRY, MINING AND ENERGY UNION CONSTRUCTION AND GENERAL DIVISION
QUEENSLAND NORTHERN TERRITORY DIVISIONAL BRANCH

Report on the Financial Report

We have audited the accompanying financial report of Construction, Forestry, Mining and Energy Union, Construction and General Division, Queensland Northern Territory Divisional Branch which comprises the Statement of Financial Position as at 31 December 2015, Statement of Comprehensive Income, Statement of Changes in Equity, and the Statement of Cash Flows for the year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information and the Committee of Management Statement, Designated Officer Certificate and Operating Report.

Committee of Management's Responsibility for the Financial Report

The Committee of Management and Secretary of the Union are responsible for the preparation and fair presentation of the financial report in accordance with the Australian Accounting Standards and the *Fair Work (Registered Organisations) Act 2009* and for such internal control as the Committee of Management and Secretary of the Union determine is necessary to enable the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require us to comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Union's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Union's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Committee of Management, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence
In conducting our audit, we have complied with the independence requirements of the Accounting Professional and Ethical Standards Board.

Auditor's Opinion

In our opinion, the financial report of the Construction, Forestry, Mining and Energy Union, Construction and General Division, Queensland Northern Territory Divisional Branch:

(a) presents fairly in all material respects, the Union's financial position as at 31 December 2015 and of its performance and cash flows for the year then ended; and
(b) complies with Australian Accounting Standards and the *Fair Work (Registered Organisations) Act 2009*

Emphasis of Matter

Without qualification to the opinion expressed above, attention is drawn to the following matter. As a result of the matters described in Note 27 to the financial report, there is some uncertainty as to whether the entity will be able to continue as going concern. However, based on the facts provided we have concluded the management's use of the going concern basis of accounting in the preparation of the financial report is appropriate as at 31 December 2015.

Report on Other Regulatory Requirements

a) The scope of our audit did extend to recovery of wages activity because, as noted in the Committee of Management Statement, no such activity was undertaken during the reporting period.

b) In our opinion, the Committee of Management's use of the going concern basis of accounting in the preparation of the financial report is appropriate.

c) I am an approved auditor as defined by Regulation 4 of the *Fair Work (Registered Organisations) Regulations 2009* being a member of the Institutes of Chartered Accountants in Australia & New Zealand who holds a current Public Practice Certificate.

Divisional Branch Secretary

Date: 14 JULY 2016

Construction, Forestry, Mining and Energy Union
Construction and General Division
Queensland Northern Territory Divisional Branch

Operating Report for the year ended 31 December 2015

The Committee of Management presents the Operating Report for the financial year ended 31 December 2015:

Principal Activities

The principal activities of the Union during the year were:

- Implementation of the decisions of the Divisional Branch Executive, Divisional Branch Management Committee and resolutions of the State Delegates' convention.
- The development and implementation of Union policy through effective communications with members at the workplace.
- The administration of State awards, the variation of awards following major test cases (ie State wage case) and making other variations to awards for other industrial matters.
- Industrial support including representation of members grievances and/or advice at their workplaces and/or through the various industrial tribunals (ie Industrial Relations Commission, Workers Compensation etc).
- Ongoing communication to members and the broader community through meetings, rallies, media releases, journals and flyers.
- Growing the organisation through good on the job organisation and strong links between the organisers and members.

The results of those activities were ongoing in providing effective leadership to officers, organisers, delegates and membership in the development, advancement and delivery of policy through a delegation of responsibilities and effective communication strategies in the areas of organising, policy/administration, and Industrial Relations/ Training/Workcover.

There were no significant changes to the nature of those activities during the year.

Financial Affairs

As at 31 December 2015, the Union had a net current liability position. However, based on the points raised at Note 27, the Union is still of the opinion that accounts should be prepared on a going concern basis.

Members' Rights

Members have the right to resign from the Union in accordance with section 174 of the Fair Work (Registered Organisations) Act 2009.

Superannuation Fund Trustees

The officers and employees listed below are trustees, or directors of a trustee company, of a Superannuation Fund as a consequence of their position with the Union:

Name	Position	Super Fund	
David Hanna	Director	Buss(Q)	resigned 30 July 2015
Paula Masters	Director	Buss(Q)	appointed 1 April 2015

Number of Members

The number of members at the end of the financial year recorded in the register of members and taken to be members of the Union was 17,975.

Number of Employees

The number of full-time equivalent employees of the Union at the end of the financial year was 49.8.

Committee of Management

Listed below are the members of the Committee of Management at any time during the financial year. Those marked with an asterix were members for the entire year.

* Steven Anderson	* Dallas Hunter
* Paul Barber	* Jade Ingham
* Andrew Clark	* Dean Kupsch
* Peter Close	* Royce Kupsch
* John Cummins	* Ian McKewin
* Bradley Daniel	* Keith Murphy
* Marcus Dittman	* Kane Pearson
* Anthony Dougherty	* Michael Ravbar
* Dallas Ezzy	* Wayne Scobie
* James Fissenden	* Thomas Smith
* Steven Gaske	* Shaun Weatherall
* Terrance Hamilton	* Bob Williams
* Kevin Heenan	* Patrick Maher

David Hanna	resigned 3/8/15	Tony Floro	resigned 17/8/15
Kane Pearson	resigned 11/9/15	Mick Koning	resigned 12/10/15
Andrew Sutherland	appointed 2/10/15

The Commission's risk-based approach

This year your annual return was assessed against a primary review. Consistent with the Commission's risk-based approach, most annual returns are the subject of a primary review.

The remainder receive an advanced review which is a more comprehensive review.

Each organisation should expect that in some years their annual return will be the subject of an advanced review.

The Commission's advanced review checklists are published on our website.

Do you have any questions?

Information and education materials are available on our website. These materials are regularly updated. We recommend you subscribe to the Commission's subscription service to find out when we release new materials.

If you have any queries we can be contacted on 1300 341 665 or by email at regorgs@fwc.gov.au.

Yours sincerely

Fair Work Commission

ANNEXURE A
THIS IS A PUBLIC DOCUMENT THAT WILL BE PUBLISHED ON THE WEBSITE

Attachments: 170123 Register of officers (signed).pdf

Dear Dika,

Please find attached a new register of officers with Steven Gaske's office identified as State Divisional Senior Vice-President.

The register has also been updated to include the cessation date of the outgoing officers.

Yours faithfully,

James Stedman | Solicitor

RECEIVED

The Registrar
Queensland Industrial Relations Commission

BY EMAIL: qirc.registry@qirc.qld.gov.au

Dear Registrar,

I refer to the obligation set out in ss735 and 736 of the *Industrial Relations Act 2016 (Qld* (**IR Act**). These provisions require:

- a copy of the officers register, as at the start of the year, to be filed before 31 March in each year; and

- a copy of the officers register to be filed within 30 days after a person becomes or ceases to be an officer of the organisation.

A copy of the officers register is **Attachment 1**.

I am writing to make you aware of some inadvertent errors which resulted in a failure to notify changes to offices within 30 days as required by s736 of the IR Act.

Pursuant to Part 15A of the IR Act, the Construction and General Division of the CFMEUQ was placed into administration on 24 August 2024. A copy of the Notice placed in the Queensland Government Gazette (**Notice**), for the purposes of s876G of the IR Act, is **Attachment 2.**

This Notice sets out the Administration Scheme which applies to the CFMEUQ. The scheme:

- vacated all offices within the Construction and General Division of the CFMEUQ on and from 24 August 2024 (Item 3)(1)(a). Please note that this did *not* effect the ongoing offices held by the Mining Energy and Ports District (Item 3(3));

- appointed Mr Mark Irving KC as administrator of the Construction and General Division of the CFMEUQ (Item 2(1) and s876E(2)(b) of the IR Act);

- granted upon the Administrator the power and duties of those officers vacated that had been held by the Construction and General Division of the CFMEUQ (Item 6(1)(a),(c); and

Docusign Envelope ID: 88F7E58A-B771-4E97-A33F-D72F948A2C4E

QUEENSLAND

- allows the Administrator to, in writing, delegate to a person nominated by them any of the powers, functions or duties of the Administrator under the Scheme, or any powers and functions the Administrator may exercise under the IR Act (Item 6(3)). The Administrator has delegated to me authority in relation to the CFMEUQ.

Because the offices within the Construction and General Division of the CFMEUQ were vacated as a matter of law on 24 August 2024, a F66 should have been filed within 30 days. This did not occur. The circumstances of the vacation of the officers were, as you would be aware, unique and unprecedented and we apologise for this oversight.

If you have any questions or require any further information, please don't hesitate to contact me.

Kind regards

[redacted]

Jared Abbott
Executive Officer, CFMEUQ

Society Cheque Account

If this account has an attached overdraft limit or facility which is secured over your primary place of residence or over a residential Investment property you should ensure that the property is insured in accordance with the terms and conditions of the mortgage. If you have any queries about your insurance cover you should contact your insurer. Information on property insurance can also be found on www.moneysmart.gov.au. Note, if this account has an attached overdraft limit or facility and we send you a statement every 4 or 6 months, we will update your statement preference to every 3 months as part of changes made to the new Banking Code of Practice from 1 July 2019.

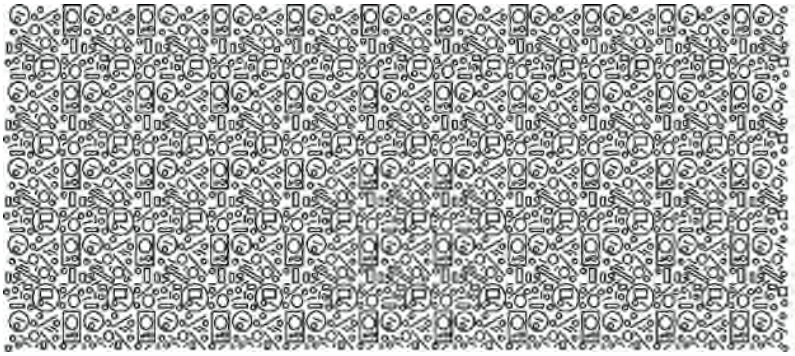

Name: CFMEU OF EMPLOYEES QLD STATE CONSTRUCTION & GENERAL DIVISION

Note: Have you checked your statement today? It's easy to find out more information about each of your transactions by logging on to the CommBank App or NetBank. Should you have any questions on fees or see an error please contact us on the details above. Cheque proceeds are available when cleared..

GST: All transactions marked with a (T) are GST inclusive. This means that the GST has been paid on these transactions and no additional payment is necessary.

The date of transactions shown here may be different on your other transaction lists (for example, the transaction list that appears on the CommBank app).

Society Cheque Account

If this account has an attached overdraft limit or facility which is secured over your primary place of residence or over a residential Investment property you should ensure that the property is insured in accordance with the terms and conditions of the mortgage. If you have any queries about your insurance cover you should contact your insurer. Information on property insurance can also be found on www.moneysmart.gov.au. Note, if this account has an attached overdraft limit or facility and we send you a statement every 4 or 6 months, we will update your statement preference to every 3 months as part of changes made to the new Banking Code of Practice from 1 July 2019.

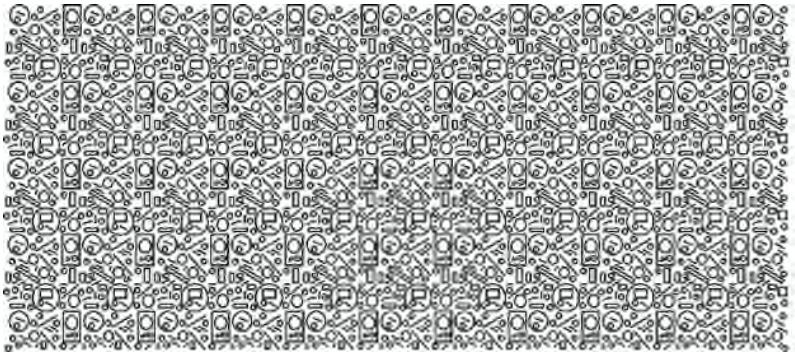

Name: CFMEU OF EMPLOYEES QLD STATE CONSTRUCTION & GENERAL DIVISION

Note: Have you checked your statement today? It's easy to find out more information about each of your transactions by logging on to the CommBank App or NetBank. Should you have any questions on fees or see an error please contact us on the details above. Cheque proceeds are available when cleared..

GST: All transactions marked with a (T) are GST inclusive. This means that the GST has been paid on these transactions and no additional payment is necessary.

The date of transactions shown here may be different on your other transaction lists (for example, the transaction list that appears on the CommBank app).

Society Cheque Account

If this account has an attached overdraft limit or facility which is secured over your primary place of residence or over a residential Investment property you should ensure that the property is insured in accordance with the terms and conditions of the mortgage. If you have any queries about your insurance cover you should contact your insurer. Information on property insurance can also be found on www.moneysmart.gov.au. Note, if this account has an attached overdraft limit or facility and we send you a statement every 4 or 6 months, we will update your statement preference to every 3 months as part of changes made to the new Banking Code of Practice from 1 July 2019.

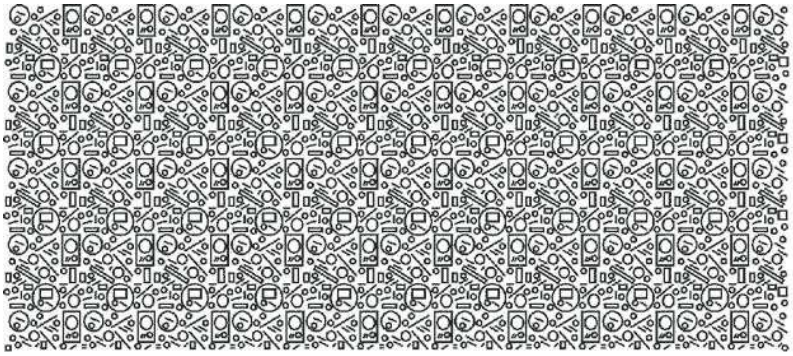

Name: CFMEU OF EMPLOYEES QLD STATE CONSTRUCTION & GENERAL DIVISION

Note: Have you checked your statement today? It's easy to find out more information about each of your transactions by logging on to the CommBank App or NetBank. Should you have any questions on fees or see an error please contact us on the details above. Cheque proceeds are available when cleared..

GST: All transactions marked with a (T) are GST inclusive. This means that the GST has been paid on these transactions and no additional payment is necessary.

The date of transactions shown here may be different on your other transaction lists (for example, the transaction list that appears on the CommBank app).

Society Cheque Account

If this account has an attached overdraft limit or facility which is secured over your primary place of residence or over a residential Investment property you should ensure that the property is insured in accordance with the terms and conditions of the mortgage. If you have any queries about your insurance cover you should contact your insurer. Information on property insurance can also be found on www.moneysmart.gov.au. Note, if this account has an attached overdraft limit or facility and we send you a statement every 4 or 6 months, we will update your statement preference to every 3 months as part of changes made to the new Banking Code of Practice from 1 July 2019.

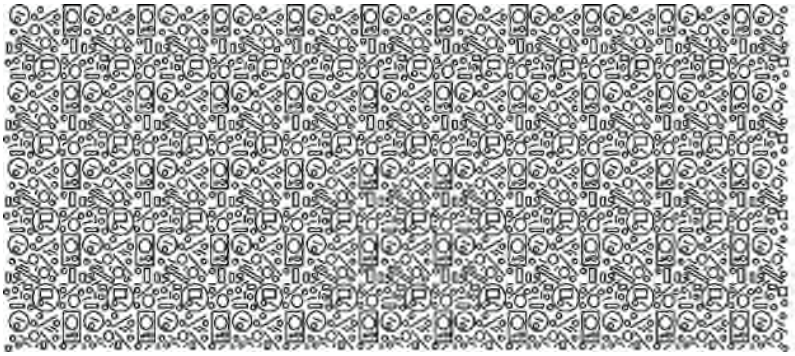

Name: CFMEU OF EMPLOYEES QLD STATE CONSTRUCTION & GENERAL DIVISION

Note: Have you checked your statement today? It's easy to find out more information about each of your transactions by logging on to the CommBank App or NetBank. Should you have any questions on fees or see an error please contact us on the details above. Cheque proceeds are available when cleared..

GST: All transactions marked with a (T) are GST inclusive. This means that the GST has been paid on these transactions and no additional payment is necessary.

The date of transactions shown here may be different on your other transaction lists (for example, the transaction list that appears on the CommBank app).

Society Cheque Account

If this account has an attached overdraft limit or facility which is secured over your primary place of residence or over a residential Investment property you should ensure that the property is insured in accordance with the terms and conditions of the mortgage. If you have any queries about your insurance cover you should contact your insurer. Information on property insurance can also be found on www.moneysmart.gov.au. Note, if this account has an attached overdraft limit or facility and we send you a statement every 4 or 6 months, we will update your statement preference to every 3 months as part of changes made to the new Banking Code of Practice from 1 July 2019.

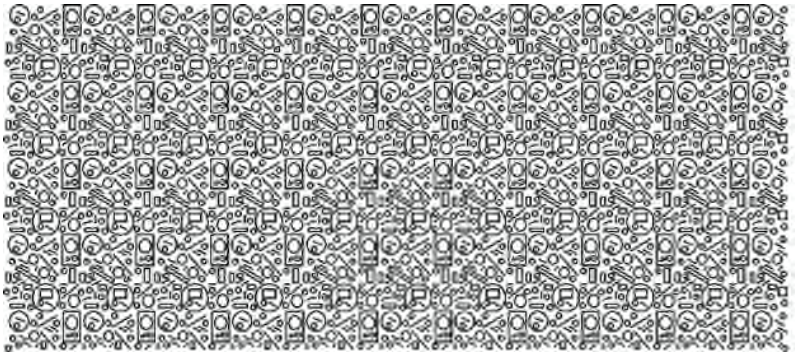

Name: CFMEU OF EMPLOYEES QLD STATE CONSTRUCTION & GENERAL DIVISION

Note: Have you checked your statement today? It's easy to find out more information about each of your transactions by logging on to the CommBank App or NetBank. Should you have any questions on fees or see an error please contact us on the details above. Cheque proceeds are available when cleared..

GST: All transactions marked with a (T) are GST inclusive. This means that the GST has been paid on these transactions and no additional payment is necessary.

The date of transactions shown here may be different on your other transaction lists (for example, the transaction list that appears on the CommBank app).

Society Cheque Account

If this account has an attached overdraft limit or facility which is secured over your primary place of residence or over a residential Investment property you should ensure that the property is insured in accordance with the terms and conditions of the mortgage. If you have any queries about your insurance cover you should contact your insurer. Information on property insurance can also be found on www.moneysmart.gov.au. Note, if this account has an attached overdraft limit or facility and we send you a statement every 4 or 6 months, we will update your statement preference to every 3 months as part of changes made to the new Banking Code of Practice from 1 July 2019.

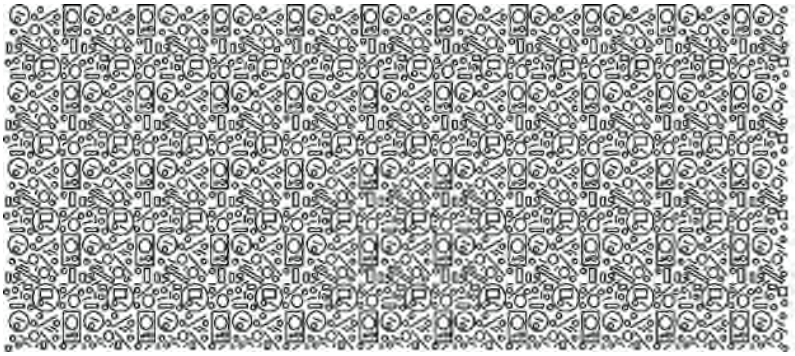

Name: CFMEU OF EMPLOYEES QLD STATE CONSTRUCTION & GENERAL DIVISION

Note: Have you checked your statement today? It's easy to find out more information about each of your transactions by logging on to the CommBank App or NetBank. Should you have any questions on fees or see an error please contact us on the details above. Cheque proceeds are available when cleared..

GST: All transactions marked with a (T) are GST inclusive. This means that the GST has been paid on these transactions and no additional payment is necessary.

The date of transactions shown here may be different on your other transaction lists (for example, the transaction list that appears on the CommBank app).

Society Cheque Account

If this account has an attached overdraft limit or facility which is secured over your primary place of residence or over a residential Investment property you should ensure that the property is insured in accordance with the terms and conditions of the mortgage. If you have any queries about your insurance cover you should contact your insurer. Information on property insurance can also be found on www.moneysmart.gov.au. Note, if this account has an attached overdraft limit or facility and we send you a statement every 4 or 6 months, we will update your statement preference to every 3 months as part of changes made to the new Banking Code of Practice from 1 July 2019.

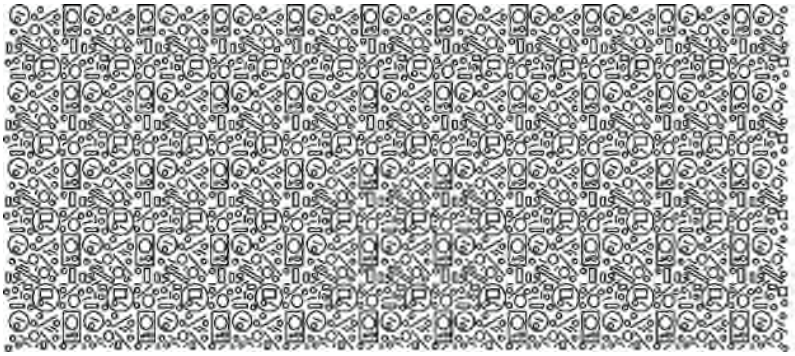

Name: CFMEU OF EMPLOYEES QLD STATE CONSTRUCTION & GENERAL DIVISION

Note: Have you checked your statement today? It's easy to find out more information about each of your transactions by logging on to the CommBank App or NetBank. Should you have any questions on fees or see an error please contact us on the details above. Cheque proceeds are available when cleared..

GST: All transactions marked with a (T) are GST inclusive. This means that the GST has been paid on these transactions and no additional payment is necessary.

The date of transactions shown here may be different on your other transaction lists (for example, the transaction list that appears on the CommBank app).

Society Cheque Account

If this account has an attached overdraft limit or facility which is secured over your primary place of residence or over a residential Investment property you should ensure that the property is insured in accordance with the terms and conditions of the mortgage. If you have any queries about your insurance cover you should contact your insurer. Information on property insurance can also be found on www.moneysmart.gov.au. Note, if this account has an attached overdraft limit or facility and we send you a statement every 4 or 6 months, we will update your statement preference to every 3 months as part of changes made to the new Banking Code of Practice from 1 July 2019.

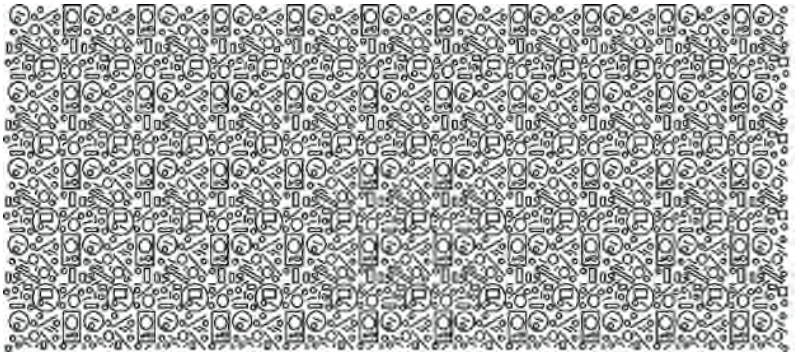

Name: CFMEU OF EMPLOYEES QLD STATE CONSTRUCTION & GENERAL DIVISION

Note: Have you checked your statement today? It's easy to find out more information about each of your transactions by logging on to the CommBank App or NetBank. Should you have any questions on fees or see an error please contact us on the details above. Cheque proceeds are available when cleared..

GST: All transactions marked with a (T) are GST inclusive. This means that the GST has been paid on these transactions and no additional payment is necessary.

The date of transactions shown here may be different on your other transaction lists (for example, the transaction list that appears on the CommBank app).
