Just got this from Cody -

Do you think Steve Thomas or Rob Pickard would disclose my address to his contractors? I'm still on the BMD system.

My family and I are staying at my brothers man just in case they disclose that personal information, my partner is an emotional mess.

Yeah mate he sent it to me too...

I spent 45mins on the phone to Rob Pickard before...

Again? He tried to call me about 7 and I left it for tomorrow

Rob P told me the CFMEU leaked Cody's address... which i dont believe him for one sec...
